Dear Parents/Carers

Arrival Time at School
A reminder to all families that students should not be at school prior to 8:00am unless arriving by bus. Pomona State School has an Outside School Hours Care facility managed by Camp Australia, which starts at 6:00am. Parents who need their children cared for prior to 8:00am (unless arriving by bus), should enrol their child at Outside School Hours Care. If students continue to arrive early they will be taken to the Outside School Hours Care facility and supervised by Camp Australia staff. Parents will be invoiced accordingly from Camp Australia. The Before Care program operates from 6:00 am – 8:45am, the full fee is $15 however you may be eligible for Child Care Benefit (CCB) or Child Care Rebate (CCR) making your out of pocket expense as little as $2.84.

After School Care is also provided from 2:50pm – 6pm, the full fee is $20. Please ensure you collect your children at 2:50pm and children are not left unsupervised in the school grounds. Thank you for your assistance with this.

Bike Safety
It is very important that students enter and exit the school grounds safely with their bikes. To ensure this, students who ride to school need to walk their bikes through the school gate and to the bike racks. When leaving in the afternoon they will need to walk their bikes from the bike rack through the pedestrian gates and onto the footpath. Once through the gates and well clear of other pedestrians they may ride their bikes home. We have had a couple of collisions recently where younger students were knocked over by older students on their bikes riding through the pedestrian gates.

ANZAC Memorial Garden
Wayne, Shaylene, the Garden Club and contractors have been busy on the construction of the Memorial Garden. The Funding for this project has been provided by the Australian Government’s Anzac Centenary Local Grants Program.

Deadly Australians
Following from our recent educational visit from Deadly Australians we have increased our knowledge and awareness of snakes. The continued warm weather has seen an increase in the number of snake sightings within the school grounds (particularly around the library and undercover area gardens). If a snake is sighted please report it to the office.

Fluoro Free Dress Day
On the last day of Term, Thursday 2nd April we will be having a Fluoro Free Dress with students bringing a gold coin donation to go towards chaplaincy services in the school.

National Ride2School Day
A huge THANK YOU to Cognition Bikes, Greg, Mel and Greg; and Andy from Sunshine Unicycles for the fantastic event on National Ride to School Day. There were great Raffle prizes and a sausage sizzle once everyone made it to school. The older students got to ride the scenic route to school whilst the younger students made it safely with their family and friends.

Thank you also to Senior Constable Corey from Pomona Police who spoke with all students regarding the importance of wearing a correctly fitted helmet and how to safely ride to school.

With the Easter break fast approaching I’d like to thank the wider school community for embracing me in my role as Acting Principal, I will be continuing until the end of Term 2.

A permanent Deputy Principal has been appointed to commence at the beginning of Term 3 – Mrs Barbara Harch who is currently a Deputy Principal at Kawungan State School in Hervey Bay.

Mrs Sam Langton will continue until the end of Term 2 replacing Mrs Elaine Burke whilst she is on leave.

I wish everyone a safe and well deserved break over the school holidays and look forward to fresh happy faces for the beginning of Term 2 on Monday 20th April.

Regards
Alyson Covey
A/Principal

FROM THE SCHOOL OFFICE

Voluntary Contribution
Thank you to the parents/caregivers who have to date contributed a total of $3,570 as part of the 2015 voluntary contribution scheme, which we have set a target for this year of $6,100. We are almost two thirds towards reaching our target. If you are unsure if you have made your 2015 contribution, please email/ask Rob (rjack96@eq.edu.au) in the office.

These funds help supplement Government provided funds to the school to purchase additional resources in the Library, Reading Room, HPE/Sports equipment and assist with running of programs such as Music, Swimming, LOTE, and Gifted and Talented.

P & C NEWS

BICYCLE SAFETY
While it is wonderful to see so many of our students enthusiastic about bike riding, a concern was raised at our last P&C meeting that some students are riding their bikes on the paths inside the school grounds, posing a risk for other students (especially the younger ones) walking on these paths. We ask that parents remind their children who ride bikes / scooters to keep in mind the safety of others as well as themselves, and avoid riding on the school walking paths.

VOLUNTEERS NEEDED FOR GYMPIE BUNNINGS SAUSAGE SIZZLE!
Our first major P&C fundraiser for the year will be a sausage sizzle outside the new Bunnings store in Gympie on Easter Sunday (5 April) from 9am – 4pm. Can you spare some time that day to help out with cooking / preparing food and / or serving customers? Even just an hour or two would be much appreciated! Please see Glenda in the tuckshop to add your name to the roster, or contact P&C by email: psspandc@hotmail.com

Donations of items for use at the sausage sizzle (eg. onions, sauce, vegetable oil / spray, alfoil / Gladwrap, serviettes, straws and BBQ utensils) would also be greatly appreciated and can be left at the tuckshop with Glenda.

MOTHER’S DAY STALL & RAFFLE
Our P&C Fundraising Coordinators, Glenda and Rosemary, are already preparing for this year’s Mother’s Day raffle and stall, to be held soon after we return from the Easter school holiday break. As well as being a valuable fundraiser, this stall provides an opportunity for students to choose and purchase small gifts for their mothers themselves and for everyone to have a chance to win something special for Mum.

Donations of items suitable for the stall or raffle would be gladly received by Glenda / Rosemary at the tuckshop.

EFTPOS FACILITIES AT UNIFORM SHOP
At our last P&C meeting it was decided that it is no longer financially viable for us to maintain EFTPOS facilities (or other electronic payment methods) just for use at our Uniform Shop, now that P&C are no longer using EFTPOS for Outside School Hours Care. Payments at the Uniform Shop can now only be made with cash, and we apologise for any inconvenience this may cause.

Wishing you all a happy and safe Easter Break!

OUR NEXT P&C MEETING WILL BE HELD AT
6PM MONDAY 27 APRIL in the SCHOOL LIBRARY
All welcome to attend and please email any agenda items you would like discussed to psspandc@hotmail.com

**FREE DRESS 'FLUORO DAY'!!**

Thursday 2\textsuperscript{nd} April is the last day of school for this term so I am organising a **FREE DRESS 'FLUORO DAY'** for that day!

Proceeds from this event will go towards the running of our School Chaplaincy Program. Please wear your brightest colours and bring a gold coin donation. Your teacher will collect all the funds and I will call to your classroom to see your brighter than bright outfits and to collect your donations.

---

**EARLY ACT IS BACK!**

All of you who have been asking when Early Act will be back will be pleasantly surprised to know that our first meeting will be on the second Friday back from holidays. We will have lots of things to discuss at our first get-together so if you have a passion to help others and have fun in the process, don't miss it!

Seeing this is our last newsletter for this term I would like to wish you all a wonderful safe and happy holiday!

Lots of blessing to you all.

**LOST**

A Year 1 student has lost his Q-Link Pendant. It is Olive green, but looks like the one in the pictures below. It is triangular shape on a leather string. This pendant is worn for health reasons and is not jewellery, so it is important it is returned if found. It was lost around the Grade 1 area. Please hand in to the school office if found.

NUDE FOOD DAY - WEDNESDAY, APRIL 1

Last year, the Eco-Warriors ran a four ‘Nude Food Days’. Nude Food refers to packing healthy nutritious meals without the use on any disposable packaging with contributes to landfill. Over 100 students participated in our last Nude Food Day in Term 4, 2014 and it’s time to spread the Nude Food word even further next Wednesday.

DON’T FORGET – EARTH HOUR 2015

Earth Hour is a great home grown success story: an Aussie campaign designed to draw attention to tackling global warming and get people talking about what we can do to help. What started as a one city, one year campaign grew into the world’s largest mass participation event for the planet with over 7000 cities in 162 countries taking part. In Australia, Earth Hour is something that brings communities together to demonstrate their support for action to tackle global warming, with one in every three Aussies taking part in 2014.

Millions of Australians are expected to take part in Earth Hour at 8:30pm local time on Saturday, March 28, 2015 to show their support for cutting carbon pollution. You too can play an active role by simply switching off your lights this Saturday night at 8:30 p.m. for an hour or even more! Any level of commitment, big or small, is a step towards achieving long-term goals for sustainability.

CASUAL POSITION VACANT

A casual position exists for a School Crossing Supervisor at this school.

The School Crossing Supervisor may be required to work five days per week in all weather conditions. The hours of work for School Crossing Supervisors are normally 1.25 hours a day and usually comprise of 3/4 hour in the morning and ½ hour in the afternoon.

The successful applicant is dependent on:

- The favourable outcome of a health assessment carried out by a Government Medical Officer or a duly qualified Medical Practitioner according to the guidelines in the “Notes for Medical Practitioner” on the School Crossing Supervisor Scheme – Health Assessment Form; and
- A Positive Notice Blue Card (This means you do not need to have a blue card to apply for the position)

Applicants are required to advise in writing of any charges that have been laid against them or any offence of which they have been convicted of.

Applications addressing the selection criteria as listed in the position description must be submitted in writing to the school.

If you are successful in your application for this position, you can only commence employment with Transport and Main Roads if you hold a current Blue Card or are renewing your Blue Card and have submitted either a Blue Card Application form or Authorisation to Confirm Current Blue Card form to the Commission for Children and Young People and Child Guardian.

Address application to:

Private and Confidential
The Business Services Manager
Pomona State School
Station Street
Pomona  Qld  4568

Applications close at 2.00pm on Thursday 2 April 2015

Come and be truly INSPIRED! by this incredible film

Every Individual Matters
Every Action Counts

RISE OF THE ECO-WARRIORS
A rare chance to see it on the Big Screen

7pm Thursday March 26th at the Gympie Civic Centre

Cathy Henkel's multi global award-winning film about what it takes to be an Eco Warrior: an individual willing to step up and DO something to avert a global catastrophe!

A group of adventurous young people leave their known worlds behind and travel to the heart of Borneo to confront one of the biggest challenges of our time. Forests are being destroyed at a devastating rate, threatening endangered orang-utans and contributing to climate change. JoJo and Juvi, two orphaned baby orangutans, are entrusted into their care and the must find a way to halt the destruction and return them to their forest home.

Time is running out the odds are against them, but they never give up...

I was so incredibly moved by the power of this film when I saw it last year, that 2 days later I made a major donation towards the building of a high-school in the Dayak village of Tembak, Borneo, which features in the film. This school together with the film's other related ongoing projects - https://rainforestconnections.org/projects/StandingStrongwithTembak - will have a Direct Impact in helping to save the precious remaining rainforest and the extinction-threatened orang-utans there.

In celebration of Earth Day, I am holding a Public Screening fundraiser of this truly remarkable film, and you are warmly invited to join us. And please note: 100% of the money you pay for your ticket -the funds we all raise! -will go directly towards Rainforest & Orangutan Protection (and you'll be able to follow to follow the progress of these vital projects you've helped on the above Eco-Warrior's website). The event will also feature a Q&A session with an Eco-Warrior/the film's director (to be confirmed).

This film is making a very Real, Powerful, & Positive Difference! And if that's something you have always wanted to do, bring your family, friends & networks and come be a part of the action! As the motto of the movie says:

“Every Individual Matters - Every Action Counts”

TICKETS - 7 PM SCREENING
$10 adult / $8 child under 16 and Concession.
Book online by going to www.whatsinonympie.com.au or phone 5408 2558 (ticket enquiries only please).
Box office will be open from 6pm on the night.

GRAFFITI VANDALISM AND STREET ART

HELP YOUR ART STUDENTS UNDERSTAND THE DIFFERENCE

Graffiti is a complex social issue, with a lot of misconception about terminology and conflicting ideas about what is considered art. While the distinction between graffiti and street or urban art may sometimes appear confusing, the law is very clear on the matter: graffiti done without permission is vandalism and carries severe penalties, from on the spot fines to imprisonment.

LEGAL VERSUS ILLEGAL
Your students will be exploring the issues of illegal graffiti in an educational presentation. Delivered by leading educationalists Warner Youth Education, the Graffiti Education program informs young people about the social and personal consequences of graffiti and highlights the legal differences between:

LEGAL STREET ART
Also known as urban art or graffiti art, legal graffiti is done with an aesthetic dimension and with the consent of the property owner.

ILLEGAL GRAFFITI VANDALISM
Illegal graffiti or vandalism is the marking of other people’s property without their consent, and is typically characterised as tagging.

HOW ART TEACHERS CAN HELP
- Encourage your students to discuss with you and others what they learned in the Graffiti Education presentation.
- Reinforce the message that graffiti done without permission is illegal.
- Encourage your students to become involved in art programs and events available to them within the school and community.

Program jointly funded by Noosa Council and a Safer Queensland Community Grant

FAMILY FUN AT COTTON TREE
If you love food and local produce or have kids and want a free family fun activity Saturday, come along to the FREE local harvest picnic at Cotton Tree 2.30 – 8.00pm, 28 March.

Why? We’re celebrating local food production for Earth Hour—bring your picnic and enjoy:
- live music from Swing Loco
- local produce – Good Harvest, Cedar Creek Bushfoods, Frozen Sunshine
- food presentations - beautiful every day lunch box food (Tania Hubbard), foraged native foods and cooking with fresh local ingredients of the day (Peter Wolfe)
- creative workshops – learn to weave a platter with banana leaves, make your own bee puppet, try your hand at origami and make some strawberries. Make a pot and take home some edible plants for your garden and prepare for Earth Hour with a handmade lantern (and a LED candle)
- free veggie seedlings - Anne the Micro Gardener who will show you how gardening is possible in even the smallest of spaces. Pick your favourite edibles and pot them up in an upcycled container
- children’s games and activities – watermelon tunnel ball, egg and spoon races, pass the orange, painting and drawing and a petting zoo
- a meet and greet with Hugo the turtle
- plus the Starry Night cinema

At 6.30pm bring your pillows and settle back for some family fun with an outdoor movie screening of Over the Hedge (G), 6.30. Grab your Free Popcorn and come early to make a lantern powered by an LED candle.
