Dear Parents/Caregivers,

ATTENDANCE
Regular school attendance is the single most important part of your child’s education. Students learn new things at school every day – missing school puts them behind. We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day. If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school. Research shows that students who have a good attendance record are more likely to achieve high results.

If your child is absent please contact the office via the absentee line on 5480 8260 with the reason and duration of absence. See the link below where parents discuss why it’s important for students to attend school all day, every day even on occasions like their birthday. Regular school attendance has a positive impact on students’ academic results and their social and emotional wellbeing.

https://www.youtube.com/watch?v=VniGVhJb-SM&index=3&list=PLgjv5epyrnQDLNMTmhLA6z-cssQylcsvN

WEEKLY ATTENDANCE RAFFLE
Next term we will be drawing a weekly raffle on Friday parade for attendance. For your child to be eligible for a ticket in the draw each week they must have attended school for the entire day for the previous 5 school days (Friday to Thursday). This means they are arriving at school on time and staying for the entire school day. If their name is selected they must be at parade to collect their prize. If they are not in attendance at parade the raffle will be redrawn. The weekly prize will be a $10 voucher.

SCHOOL IMPROVEMENT UNIT REVIEW
Our school is scheduled for a school review from 13-15 July (Term 3 Week 1). The Department of Education and Training has introduced new performance reviews for Queensland state schools in 2015. The reviews do not rate or compare schools but provide independent and quality feedback to help schools continue to improve outcomes for students. All schools will have a review at least every four years. A final report is made available to parents and the community on the school’s website. The review team would like to hear from our school community and I encourage anyone who is interested to have their say. Your feedback is important and will help us continue to deliver education for students. If you are interested in speaking to the reviewers, or would like more information about the review process, please contact the office.

Further information about the reviews is available from the department’s website at:

SCHOOL OPINION SURVEY
Next week parents and caregivers will receive information in regards to completing the SCHOOL OPINION SURVEY online. Look out for the blue parent/caregiver survey form with the online link and unique access codes to enable you to complete this survey. This information will be sent home with the eldest child in each family next week. The online survey opens on Monday 29th June (first day of the school holidays) and closes on 31st July. Students in years 4, 5 and 6 will complete the student online survey early in Term 3.

TIME CHANGES TO SECOND LUNCH
From the beginning of Term 3 there will be a slight adjustment to the second lunch break. Currently students start their second lunch break at 1:00pm. We will be moving this forward to start at 12:50pm, allowing students to have 2 x 40 minute breaks throughout the school day.

STAFFING
Next term Mrs Barbara Harch will be commencing as the permanent Deputy Principal and I have been appointed as the permanent Principal. I wish to thank Mr Mick Byrne for his years of service to the Education Department and especially his commitment to Pomona State School. I’m sure Mick is enjoying retirement!

Ms Peta Cave will be on leave for all of Term 3; at this stage Ms Cave has not been replaced. Mrs Elaine Burke will be continuing on leave for Term 3 and Mrs Sam Langton will continue as her replacement on Year 4EB.
BUILDING AND MAINTENANCE WORKS
The tuckshop and junior undercover areas are going to be painted. This will be commencing immediately. The area will be barricaded off while this work is being undertaken. Unfortunately this means the junior students will be relocated for eating breaks and the area will be restricted whilst this work is carried out. Classes who normally line up in the undercover area will now line up outside their classroom at the end of lunch breaks. The tuckshop will still be trading as per usual. PLS classroom will also be undergoing a kitchen and art storage refurbishment over the school holiday period.

UNIFORMS
As we are now experiencing cooler weather there are a number of students who are consistently out of school uniform. Please ensure your child has the correct school uniform. If they have misplaced or outgrown their school jumper, new and second hand jumpers can be purchased from the tuckshop. There is currently a large box of lost property outside the tuckshop with a number of school jumpers and other items. If you are experiencing financial hardship and are unable to provide your child with the correct school uniform please contact the school as assistance can be provided.

KEEP A WATCH ON OUR SCHOOL THESE HOLIDAYS
With the holidays fast approaching, we need you to look out for after-hours crime in our school. If you see something suspicious, please don’t attempt to intervene. Call School Watch on 13 17 88 and let the local police or State Government Protective Security Service deal with the matter. The School Watch program is a partnership between the Department of Education and Training, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools. Keep the number handy and let’s work together to help create a safer school community.

Happy and safe holidays☺

P & C NEWS
MASQUERADE DISCO
Our Masquerade Disco will be held in the school hall this Friday (19 June). The junior school disco (for Prep – year 3 students) will be held from 5.30 – 7pm and the senior school disco 9 (year 4 – 6 students) will be from 7.15 – 9pm. School discos are lots of fun for students and parents who attend them, as well as being a significant fundraiser for the school. For the safety and enjoyment of everyone, any students engaging in dangerous / unacceptable behaviour will have their parents contacted and be asked to leave the disco early.

LIONS CLUB DINNER – HELPERS NEEDED!
Each year the Cooroy-Pomona Lions Club ask for 2 or 3 volunteers representing our school to help at their Changeover Dinner, which this year will be held on the evening of Wednesday 24 June. This involves helping to serve food, collect and wash dishes and generally help tidy up afterwards, allowing all of the Lions Club members to participate in their Changeover meeting and dinner without having to do these tasks. The work is not difficult and it’s a great gesture of goodwill between our P&C and the Lions Club, who every year provide the main food outlet at Pomona in the Park and support our school in other ways. So far we only have one confirmed volunteer so please let us know if you are able to help! (Email address below.)

TUCKSHOP VOLUNTEERS
If you can spare an hour or two on a weekly or fortnightly basis, please consider putting your name on the volunteer roster for the tuckshop. Kids love to see their parents helping out at the school, and volunteering in the tuckshop can be a good way to meet other parents and get to know the school community. Please talk to Glenda at the tuckshop or contact P&C by email if you can help out.

KING OF THE MOUNTAIN FOODSTALL
Volunteers will also be needed for our fundraising food stall at the King of the Mountain festival in Pomona on Sunday July 26th. This foodstall is located underneath the kindy building in Stan Topper Park, and provides not only an avenue of fundraising but also a positive way to promote our school to the wider community. We will be organising a volunteer roster as soon as school returns from the upcoming holidays, so please email us at psspandc@hotmail.com if you would be able to help out with food preparation / serving.

OUR NEXT P&C MEETING WILL BE HELD AT
6pm MONDAY 22nd JUNE
In the School Library

Please email any agenda items to psspandc@hotmail.com
All welcome to attend!
From The School Office

Voluntary Contribution
Thank you to the parents/caregivers who have to date contributed a total of $5,100 as part of the 2015 voluntary contribution scheme, which we have set a target for this year of $6,100. We are almost at our target. If you are unsure if you have made your 2015 contribution, please email/ask Rob (rjack96@eq.edu.au) in the office.

These funds help supplement Government provided funds to the school to purchase additional resources in the Library, Reading Room, HPE/Sports equipment and assist with running of programs such as Music, Swimming, LOTE, Environmental Education and Gifted & Talented.

Signing Students Out Early
A reminder that should you need to sign your student out early, you need to come to the office to sign them out and office staff will arrange for your student/s to be sent to the office.

Student Banking
Student banking day is Thursday. If you can remind your students to pop into the office Thursday afternoon to collect their bank books, that would be great. We have had an increase in the last couple of years of accounts opened and deposits made. Each new account opened results in the Commonwealth Bank of Australia making a $5.00 donation to the school, as well as a % commission of each deposit over $1.00. If you would like an information pack, pop into the office.

Parking – Administration/Staff Car Park
Please limit parking in the delivery/handicapped parking space, particularly at morning and afternoon times to emergencies or authorised persons only. Please note the Staff Car Park is for staff and authorised persons – they know who they are. And this is a car park, particularly busy 8:00-8:30 and 2:30-3:15, it is not a public thoroughfare. Students in particular SHOULD NOT be walking through to access the Pool or Hall, please show the way by using the pedestrian access to both. There have been a couple of near misses lately and we don’t want to have anyone injured or worse.

A PRIZE PORTAL has appeared on Planet Savings
The Commonwealth Bank are running a stellar School Banking competition in Term 3. In Term 3 they are rewarding students with more prizes than ever before.

- 75 x iPad minis Wi-Fi 16GB
- 125 x Beats by Dr. Dre Solo² Headphones
- 200 x $30 Booktopia Gift Certificates

To enter students must simply make three or more School Banking deposits during Term 3. They will then automatically be entered into the competition for a chance to win one of hundreds of prizes. Students can also complete a Money Mission at www.commbank.com.au/prizeportal to double their chance of winning a prize. Please note, students can complete the Money Mission at any time, but are required to make three deposits by the end of Term 3 to double their chance of winning.

As an added bonus, Commonwealth Bank are also giving participating schools a chance to win one of 75 sets of children’s books for their school library.

CHAPPY CHAT

100% pure Australian honey
You can support our Chaplaincy Program at our school by purchasing Chappy’s 100% pure Australian honey in a 1 kilo tub for $15.00. But before you say no, let me explain:
I always try to find a product that is of value to those who support Chaplaincy. Instead of it being something unhealthy or something that you just give away because you really don’t really want it, I chose honey because of its healing and health properties. Honey has a real purpose in any family kitchen. It’s used daily on our toast, it’s used to sweeten our winter porridge and our tea, it’s added to cakes, eaten on water crackers with brie cheese, and even used in curries. Honey is a versatile necessity, don’t you think? And now to the quality: THRIVE BEEHIVE HONEY cannot be mistaken for anything other than what it is: absolutely 100% pure Australian honey. Next time you are in reception at school, pick up the tub and have a look at the consistency of the honey, nothing runny about this product. This means it is a top shelf product! Nothing but the best for your family! Definitely NO additives!
I’ve attached a link to an ABC interview regarding the threat to our Australian beekeepers. It’s a bit of an eye-opener. If you don’t know much about the honey process, this will explain precisely what is happening. It’s worth listening to.
Tubs are available at reception or by calling Chappy on 0414 457 451.

Honey shortage? Eat more honey!
By Carol Duncan
There’s an international honey shortage and Australia’s beekeepers are feeling the sting, but one beekeeper says the best response is for consumers to eat more honey, but make sure it really IS honey first.
Australia’s beekeepers are experiencing one of their worst years in a long time. ABC Newcastle’s Carol Duncan spoke with third-generation Canberra beekeeper, Carmen Pearce-Brown about her concerns for Australia’s honey future.

LOVE TRIVIA NIGHTS?
Chappy Paulette is holding a Trivia Night at Cooroy RSL on 11 July. It’s dinner at 6.00pm for 7.00pm start! It’s just $20.00 for the meal and to play. Come with a team or come alone. It’s a fundraiser for the Chaplaincy Program at Pomona State School. Please contact Chappy Paulette on 0414 457 451 to register.
All welcome, see you there.

PARENTS VIEWS ABOUT PARENTING SUPPORT PROGRAMS
Researchers from the University of Queensland and the University of Western Australia are investigating perceptions of parenting support programs and what influences whether parents take part in such programs. If your child is aged 2 to 10 years, please follow the link below to complete a 20 minute survey about your perceptions of parenting programs, your child, and yourself:
https://exp.psy.uq.edu.au/parentviews/
Or contact Genevieve on 0408 357 311 (email: genevieve.whybird@uqconnect.edu.au), or Louise on 0419 917 998 (email: 21125278@student.uwa.edu.au).
We thank you for your support!

NATIONAL COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY
Dear parents/carers,
Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.
All Queensland schools will participate and collect data in 2015.
Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:
• number of students in the school who are provided with an adjustment to address a disability;
• level of adjustments we provide for those students; and
• broad category of disability.
Consultation with parents is important not only for the data collection but also to ensure you aware of the adjustments being provided to support your child. We will therefore continue to consult with you.
Whilst only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let me know.
Information and fact sheets are available to help you make a decision from the:
Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me directly.

Dientameba, a tale about poo.

We haven’t been feeling right for many nights, with niggly little tummy pains, a rash near our mouth and slightly sloppy poo. I know it’s these pesky little parasites, but I don’t know what to do?

While Giardia is easy to fix, just one hit with tinidazole, Blastocystis hominis, and Dientameba fragilis can be harder to resolve.

They’re either dismissed as non-pathogenic, or worse, you’ll get a misdiagnosis – nervous stomach, IBS or indeterminate colitis. An impossible consensus.

A year ago we found out that we were harbouring a little known hitchhiker from the kingdom Protozoa. Contrary to popular belief, they’re a common thing, 30% of the population are in the same boat. Oh how I wish I had never found out!

One doctor said, “If you have runny poo, stop eating fibre, sugar, starch, that means potato too. And stick to things that are gluten free and full of fat, so your intestinal wall remains just that – a wall, impermeable to all.”

So we went on a diet, for four months or more and ended up feeling like a proper carnivore. But still we had our parasites, and our tummies were sore.

The paediatrician said, “Mumma, why do you worry? You know these things can spontaneously clear. If your child is taller and heavier than last year, then there really is no need to come here.”

The third doctor said, “Metronidazole is the drug of choice,” 10 days of Flagyll A broad spectrum antibiotic that will – or won’t work. These resistant little parasites wisen up years ago.

The naturopath said, “Herbs are the way. Take this bitter concoction twice a day. Wormwood, goldenseal, cinnamon, ginger and cloves. It’s a bit hard to swallow, but it’ll stave off your critters.”

The fourth doctor said, “For a protozoan flagellate with a complex life cycle, Centre for Digestive Diseases protocol is your best bet. It’s a triple antibiotic combination therapy, so you’ll need to book a flight to Sydney to see me.”

There’s a real epidemic all over the country. Despite all the treatments they suggest, nothing’s worked yet. And with each stool test, comes a moment of faith, is there any hope left?

It feels like I might end up in the asylum when my kids say “Mum, my tummy hurts.” Holding tears back ‘cause there’s nothing I can do. But here’s what I did, it might help you.

Clean your hands better than before. A bit of sanitiser won’t kill the bugs, but it will help your skin dry. And if they are dry, the parasites will die!

Check your poos for worms (and bums for eggs). Because its sometimes the case, that those pinworm eggs can transmit something worse.

Test your tank water, and boil it, if there’s any doubt. Have you got a UV filter to get those bad bugs out?

Whether you want the quick fix or the slow remedy, don’t forget to include some probiotics. You could try Saccharomyces boulardi, and nature of course, sourkraut, beet kvass, homemade yogurt and kefir.

Now over a year has passed, and I’ll just whisper in your ear “I think we’re in the clear.” But I dare not say it too loud, because I don’t really know, how we got here.

* Daily Requirements: Children must bring their own lunch and refreshments (no nut products please) wet weather gear, art smock and suitable clothing for an active and sunsmart day.

* An afternoon fruit snack will be provided.

Tips for helping children (and parents) feel comfortable in after school care:
1. Give your child as much advance warning as you can that they’ll be coming to After School Care.
2. Pop into the program with your child to meet our Camp Australia team and find out what kind of activities they can look forward to.
3. Speak with the Camp Australia Coordinator if your child is nervous, and let us know how your child felt after their first visit.
4. If there is something in particular your child would like to play when they are in our care, encourage them to let us know.

Holiday Club:
Please book your children in for holiday club. Have a look at the program online or grab one from our room or the school office. We have lots of fun activities, incursions and excursions planned. Come along for some fun.

What we’ve been up to in the past fortnight!
- Our better buddies term 2 projects
- Activities from children’s interest inside and outside.
- Our Term 2 Leaders have been chosen.
- Learning from each other (Box of Skills)
- Learning through visual arts/drama (puppet Shows)

What we have planned for the next fortnight!
- Nature Table
- Art Work
- Cooking

Reminders:
Please note that bookings for BSC and ASC should be done online with as much notice as possible. Cancellations should also be advised to our head office. Our staff members, food and resources are based on actual bookings. Once we have received our phone we will advise every one of our number and parents can contact Melissa Conley for information and any matters relating to children’s attendances.
We’re here to make after school care visits the best experience possible – for you and your child.
If you have any questions about the program – please feel free to drop by, meet the team and see what happens in after school care first hand.
We look forward to seeing you soon.
The Camp Australia Team.

Sunshine Coast Program

What’s on offer this July at the Sunshine Coast?

**Giant Swing**—a real adrenalin rush. Be hauled up 20 metres. Pull the rip cord and SWING.

**High Ropes**—walk the tightrope if you dare. A brilliant activity that combines team work and skill. Climb and traverse elements 10 metres off the ground.

**Kayaking/Canoeing**—blue skies, crystal clear water and the beautiful natural surroundings of Currimundi Lake. We provide all the safety equipment and instruction allowing you to enjoy nature at its best with friends and family.

**Low Ropes**—can be combined with initiative and team challenge activities designed to explore group interaction, problem solving, trust and leadership. Can you complete what sometimes looks like the impossible task?

**Stand Up Paddleboarding**—one of Australia’s fastest growing recreational sports. Participants are taught basic paddle strokes and board control then embark on a trip across the water.

**Raft Building**—Participants work in a team to construct their own water raft. A fun scenario is created by the instructor and the race begins!

SAFFRON NAMASTE NEPAL FUNDRAISER -
Street Food of Nepal and India

Anyone who has ever visited Nepal will understand the tragedy that has unfolded in the aftermath of the recent devastating earthquakes. The loss of thousands of human lives and the terrible injuries received by thousands more is an unspeakable tragedy in itself. The situation is particularly grim considering the level of poverty in the country.

Saffron Namaste, (2 Memorial Avenue, Pomona) and friends in the Noosa Hinterland, are holding a fundraising event on Sunday 12th July at 12 noon to assist humanitarian organisation Friends of Himalayan Children. They are hoping to raise $15000. Local businesses have been asked to support the event by donating goods and services for auction. At the heart of the fundraiser will be the culinary skills of chef, Surinder. All proceeds will go to the Friends of Himalayan Children. Cost will be $30 per head, and wine and beer will be available to purchase.
