Dear Parents/Caregivers,

At Pomona State School we are very fortunate to have a fabulous playground at the front of our school. During the school day, any time students are permitted on playground equipment, it is a requirement that direct supervision is provided by a teacher. Some parents may wish for students to have some extra time in the playground straight after school while they are here collecting their children. This is only possible if the parent is providing direct supervision at the playground with the child. All responsibility for the safe and appropriate use of the playground equipment at this time is placed on the supervising parent. No child is allowed on the play equipment without their parent right there with them. I ask all parents to please support us in the safety requirement.

EVERY DAY COUNTS
Parents/caregivers are reminded of the importance of sending children to school on every school day unless there is a reasonable excuse for the student to be away, such as illness. Research shows that students who have a good attendance record are more likely to achieve high results. The success of our Daily Rapid Reading and MiniLit programs is reliant on students being at school every school day.

SCHOOL ACCESS
A reminder to all parents that driving onto school grounds to drop your children at school is NOT PERMITTED. The bottom gate (near swimming pool) is for pool patron access, emergency vehicle access and staff access. This is NOT a drop off or collection point for students. Please use the designated school carpark and crossing.

STUDENT RESOURCE SCHEME
Pomona State School in consultation with the P&C Association has chosen to operate a Student Resource Scheme for 2016 to assist parents with the cost and resourcing of additional educational resources that provide enhanced learning opportunities. The scheme is supported and approved by the School’s Parents and Citizens Association and operates under the policy and guidelines of The Department of Education and Training (DET). The scheme is not used to raise funds for other purposes. The scheme provides the entire package for the specified participation fee and is not available in parts. Participation in the scheme is voluntary and there is no obligation placed on a parent/caregiver to participate. A parent/caregiver’s decision to participate is based on consideration of the value and convenience afforded by the scheme. However, please be aware that materials required under this scheme are not funded by school grants.

The purpose of the scheme is to provide the parent/caregiver with a cost effective more economical alternative to purchasing required resources and consumables through reduced prices gained from the school’s bulk purchasing processes. The provision of this scheme ensures that well-resourced learning by our students remains our key focus. Total cost of the scheme is $60.00 per student and details of what is included in the scheme will be forthcoming, but includes subscriptions to Mathletics, Reading Eggs, Ebooks, Apps, school produced workbooks, as well as Design & Food Technology and Art supplies. You will be invoiced early in 2016 after returning your participation agreement form, should you wish to participate. If you do not wish to participate you will need to return the form and it will then be your responsibility to purchase/provide all the resources provided by the scheme. Please provide your child/s unique Mathletics and Reading Eggs log on and password, as teachers are currently using this in their classrooms. If you are experiencing financial difficulty or would like to make regular instalments please contact Carol Crump – Business Services Manager at the school office.

Thank you to those parents who have already returned their form and paid.

Caring, Sharing and Achieving Together
**ZEBRA CROSSING SAFETY TIPS** – from the Department of Transport and Main Roads

---

**Look out! There are children about**

*Slow down around schools.*

Children are unpredictable.

---

**Crossing the road – Zebra Crossing**

To use a pedestrian zebra crossing:

- Stand at the edge of the crossing and wait for the traffic to stop.
- Be sure the traffic stops before stepping out, in case the driver may not have seen you.
- Only cross when the traffic has come to a complete stop.
- If there is more than one lane to cross, be sure that any approaching traffic has seen you.

**ADMINISTERING MEDICATION AT SCHOOL**

If your child requires staff to administer medication to your child at school, please contact the school office in the first instance to discuss your child’s requirements. Please note, school staff will only administer medication that:

- has been prescribed by a qualified health practitioner (e.g. doctor, dentist)
- is in its original container
- has an attached pharmacy label

Office staff will ask you to complete and sign Section 1 of the *Administration of medication at school record sheet.*

N.B. If your child requires more than one medication, you will need to complete a form for each medication. Please note, school staff will not administer medication that you can buy over-the-counter at chemists and supermarkets (e.g. paracetamol, eye drops, cough syrup) unless it has been prescribed by your child’s qualified health practitioner. For example, the school would administer paracetamol to a student only if it has been prescribed by their dentist to be taken for a short time after dental treatment.

School staff are bound by these regulations and we hope that all parents will acknowledge and cooperate with these rules.

---

**EXEMPTION FROM COMPULSARY.schooling**

Please be aware that any parents of students who are absent from school for 10 or more consecutive days must complete a form to exempt them from compulsory schooling for this period of time. The most common reason to complete this form is when families are travelling during the school term and sometimes it also includes those who have a medical condition, supported by a medical certificate. Forms can be collected from the school office.

**STORY BAGS IN PREP**

Having enjoyable reading experiences are valuable to children, as it supports their own success with reading. With this in mind we have developed 6 literary experiences for your child to enjoy with you. We have used popular books and designed activities that will enhance their love of reading. The activities are based mainly on retelling the story in correct sequence in a fun way. There are also art activities – collage, colouring and painting. Each story comes complete in its own ‘story bag’. This bag holds the book, activity card and journal, it contains everything that is needed to complete the activities. Most activities will be independent with minimal parent assistance, however there are some cutting activities that will require help.

---

**A HEALTHY LUNCHBOX**

*A HEALTHY LUNCHBOX* made easy

Get tips on healthy, easy and kid-friendly foods, packed with nutrition to help kids your kids do their best at school and at home!

This **FREE** workshop includes:

Healthy eating guidelines for your kids

Practical advice with recipes and simple swaps that will keep you and your kids happy.

Ideas on keeping the healthy option, the affordable option and Food safety. Free take home booklet for handy tips and ideas. Run by Daniela and Yasmin, University of the Sunshine Coast, Nutrition and Dietetics.

**When & Where:** 2pm 12th May at Pomona Primary School.

Additional **FREE** 4 week cooking program.
The Great Tuckers “Scrumptious Lunchboxes” - 14th July – 4th August held at Lawson Shed, Pomona.
Contact the school office to book, or for more information on both these programs.

READING FOCUS
This year our school will be focusing on reading. We have implemented the Daily Rapid Reading program which involves all students in years prep to 5 throughout the year. We are currently assessing our year 2 and 4 students and they will commence the program next week. Please click on the link to view a great video demonstrating effective reading with your child.
https://www.youtube.com/watch?v=korfvEOQb14

It is only 5 and a half minutes long and models the key tips for parents to understand when reading with your child.

1. Sit side-by-side with your child.
2. Don’t ‘tell’ the words.
3. Move beyond ‘sound it out’.
4. Have your child re-read some passages for fluency.
5. Allow some mistakes to go uncorrected.
6. Allow the same book multiple times.
7. Keep reading to your child.

Year 6CL and Year 5/6ST

FACILITIES UPGRADE
We are very excited to share that G Block (Year 5 and 6) will receive a facility upgrade with the removal of all the old heavy wooden doors, these are being replaced with a lightweight aluminum framed sliding door. The outdoor learning area is also having the shade structure replaced with a fixed roof structure that will be larger making the area more accessible for students and staff in inclement weather.
Our pool has been drained and is currently having all seals replaced and repainted. The pool will also have a new filtration system installed ready for the next swimming season.

CELEBRATING NATIONAL RECONCILIATION WEEK
National Reconciliation Week, held from 27 May to 3 June, provides an opportunity for our school community to learn about our shared histories, cultures and achievements. It’s a time to celebrate and build on the respectful relationships between Aboriginal and Torres Strait Islander people and other Australians.
The 27 May and 3 June are important dates in Australia’s history, and mark the successful 1967 referendum and the High Court Mabo decision.
To learn more about National Reconciliation Week, visit www.reconciliation.org.au.

STRIVING FOR EXCELLENCE
Each year Pomona State School participates in the International Competitions and Assessments for Schools (ICAS) academic competitions. This year students in Year 2 to 6 have selected to compete in Digital Technologies, Science, Wiring, Spelling, English and Maths. These competitions are a great way for our students who are doing well to challenge their problem solving abilities in a text environment. These competitions also assist students in getting used to the test environment of NAPLAN and secondary education.

Regards,
Alyson Covey
Principal
**Mother’s Day Stall & Raffle**

Thank you everyone who has supported our Mother’s Day stall and raffle last week, which raised over $1000! A big thank you to the generous individuals and businesses who donated stall items / raffle prizes, including The Fig Tree restaurant in Eumundi, Jo from Sweetpea & Jasmine (Cooroy), Kellie Chapman, Kimberly Gross, Amanda Scholfield and Lois Nichol. Special thanks to our Fundraising Team volunteers Karen Gillespie and Rosemary Burrows for running it and for their donations, and to Micky Basso for creating the advertising flyers.

**DISCO Friday 3rd June**

Don’t miss our first school disco for the year, which will be a “CRAZY HAIR” theme disco on Friday 3rd June in the school hall from 5.30 - 7pm (Prep – Year 3) and 7.15 - 9pm (Year 4 – 6). Watch out for advertisements coming out soon. **Parent volunteers will be needed** to help run the discos as we can’t safely run these events without enough adult supervision, so please email us if you would like to put your name down on the volunteer roster.

**Discounted Dreamworld Season Passes!**

Also on offer again for a P&C Fundraiser this year will be **discounted season pass tickets to Dreamworld / WhiteWater World and the SkyPoint Observation Tower.** These passes will be available for $69 each (children 3-13 years and pensioners) and $89 each (adults), allowing unlimited visits to these venues until 23 June 2017! This represents a significant saving on gate prices ($119 children / pensioners and $139 adults). We will need to secure a minimum order of 20 passes for us to get this group discount rate, so please contact P&C at psspandc@hotmail.com if you would like to purchase some passes. Orders will need to be paid for and finalised by Friday 10 June in order for us to get the passes out prior to the next school holidays.

**Uniform Shop**

Our supplier of the **100% cotton uniform shirts** has advised that due to the nature of this special order, they have had to raise the minimum order quantities. **We now have to order a minimum of 15 shirts total, and a minimum of 5 of each size that is ordered.** That total of 5 per size can be shared across different families, but the order for a particular size will not be placed if the minimum number of 5 is not reached. **The price of the shirts is $40, with payment needed at the time of ordering (not at the time of pickup) for your order to be placed - if minimum quantities aren’t reached for a particular size, then that money will be refunded.** Also, please note that the colour of the yellow can’t be guaranteed, and will be different from the normal cotton-backed shirts. **The next order will be placed on the last Tuesday of Term Two (21 June) so please see Emma and Marnie in the tuckshop on a Monday or Tuesday before then to place your order.**

**OUR NEXT P&C MEETING WILL BE AT 6pm TUESDAY 24TH MAY IN THE SCHOOL LIBRARY**

**Please email any agenda items to psspandc@hotmail.com**

**All welcome to attend!**

**NOOSA SHOWGIRL**

Entries are now open for the 2016 Miss Noosa Showgirl and Rural Ambassador Awards. This is a great opportunity to create connections in our local community, make new friends, and help fundraise for charities and the Noosa Show Society. Anyone can enter with categories available for both males and females aged 0 to 30. For more information or to enter please contact: TeAna - 0403551208 or noosashowgirl@gmail.com Show Office – 54852331 www.nosashowsociety.org.au
Chappy Chat

SAUSAGE SIZZLE

CHAPPY WEEK is 14–21 May. We will be having a sausage sizzle on Tuesday 17th at second break. I have decided to pre-order so I make sure to have enough. Sausage on bread with onion is $2.50 and with cheese is $3.00. I will be sending a flyer home with children this Friday and collecting orders from classrooms on Monday 16th.

What we’ve been up to in the past fortnight!
We have had a very busy fortnight! The children started off the fortnight by designing a restaurant, which included a menu, phone calls to their boss and washing the dishes. This activity morphed into the children designing tiny clothes out of plasticine that could be used in their restaurant. We then continued to participate in an activity where, in pairs, the children were to use their enquiry skills to design clothes/costumes/uniforms out of a range of new and recycled materials. Some of their designs included mummies, swimsuits and aprons (for the restaurant). The children have also investigated how marbles compare to cars when they are rolled down the Hot Wheels track and have discovered that magnets, when stuck to the legs of our tables, will spin down to the floor. Along with these activities, the children have participated in other art experiences such as making log cabins, completing spot-the-difference sheets and drawing on the chalkboards. Outside we have been playing on the playground, doing high jump, limbo, buzz off hairy legs and participating in games of soccer that include training exercises such as passing and heading the ball.

What we have planned for the next fortnight!
Throughout the next fortnight we will be continuing the children’s interests in designing through enquiry learning by using recycled materials to make a form of transport (boat, car, plane etc). We will also be continuing group games such as buzz off hairy legs and soccer practice. The children will be participating in group games, arts and crafts and sports to develop friendships at before and after school care.

We are still offering homework club if you would like to have your child/ren do it at after school care. We have it running straight after afternoon tea at 3:10pm.

Important Notices:
If your child/ren attend Pomona State School before school can, please encourage your child to bring a jumper as it is starting to get colder.

What to do if your child is absent from After School Care:
Please remember parents if your child/ren are going to be absent from the service or have gone home sick please call us on 0450 247 974 or notify the customer experience team on 1300 105 343.

Yellow Ribbon – Road Safety Week

Every day thousands of emergency first responders risk their lives protecting motorists. Whether it’s the police, ambulance, fire & rescue personnel or RACQ’s patrol and tow truck operators, they all depend upon the awareness of passing motorists to keep them safe.

Yellow Ribbon Day was launched nationally by Safer Australian Roads and Highways (SARAH) Inc in May 2012 to promote road safety, especially for those who work on the roads, and support those affected by road tragedy.

The campaign is an initiative of Peter Frazer, whose daughter, Sarah, was killed in a tragic accident that occurred on the Hume Highway earlier that year.

On May 3 – 10 slow down and give others space. Drive so others survive.

**Message from Stuart Gardner Manager Road Safety SEQN**

School crossing supervisors contribute to Transport and Main Roads’ positive profile in the community. They have an extremely important role - to promote road safety among young children and educate them on how to use a supervised crossing. This Yellow Ribbon Road Safety Week we say thank you to our School Crossing Supervisors!

School Crossing Supervisors play a vital role in keeping our children safe. They improve the safety of travel to and from school for students in the city as well as regional and remote areas, whether they walk, cycle or travel by bus or car.

In hot, cold or wet weather, the supervisors are there, ensuring children are kept out of harm’s way. Supervised crossings are an important part of Transport and Main Roads’ road safety program. I cannot stress enough the importance of a school crossing supervisor’s role.

School crossing supervisors are the unsung heroes of school road safety. They play a vital role in helping thousands of students get to and from school safely each day.

This week is Yellow Ribbon Road Safety Week when we say thank you to those who assist us on the roads and help us stay safe.
