Dear Parents/Caregivers,

Going to school every day is the single most important part of your child’s education. Students learn new things at school every day – missing school puts them behind.

We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day. If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school. Parents/caregivers are reminded of the importance of sending children to school on every school day unless there is a reasonable excuse for the student to be away, such as illness. Research shows that students who have a good attendance record are more likely to achieve high results.

The success of our Daily Rapid Reading and MiniLit programs is reliant on students being at school every school day.

ADMINISTERING MEDICATION AT SCHOOL

If your child requires staff to administer medication to your child at school, please contact the school office in the first instance to discuss your child’s requirements. Please note, school staff will only administer medication that:

- has been prescribed by a qualified health practitioner (e.g. doctor, dentist)
- is in its original container
- has an attached pharmacy label.

Office staff will ask you to complete and sign Section 1 of the Administration of medication at school record sheet.

N.B. If your child requires more than one medication, you will need to complete a form for each medication. Please note, school staff will not administer medication that you can buy over-the-counter at chemists and supermarkets (e.g. paracetamol, eye drops, cough syrup) unless it has been prescribed by your child’s qualified health practitioner. For example, the school would administer paracetamol to a student only if it has been prescribed by their dentist to be taken for a short time after dental treatment.

School staff are bound by these regulations and we hope that all parents will acknowledge and cooperate with these rules.

EXEMPTION FROM COMPULSARY SCHOOLING

Please be aware that any parents of students who are absent from school for 10 or more consecutive days must complete a form to exempt them from compulsory schooling for this period of time. The most common reason to complete this form is when families are travelling during the school term and sometimes it also includes those who have a medical condition, supported by a medical certificate. Forms can be collected from the school office.

UNDER 8’S DAY - Friday 27th May

This year the annual Pomona State School Under 8’s Day celebration will be held on Friday the 27th May. This year is the 60th anniversary of this event in Queensland. This is a fun filled morning for the children in Prep to Year 2 from our school. Activities will be held in the morning session. We would love to see you there to help celebrate our Under 8’s Day.

READING FOCUS

Learning to read is the most important educational outcome of primary education. Reading is a complex process that builds on oral language and encompasses both specific skill development and the use of comprehension strategies. Over coming newsletters there will be an elaboration of the ‘The Big 7’ – Components of reading and how you can assist at home to help your child in their reading development.

contd............
The Big 7
1. Oral Language
2. Phonological awareness
3. Phonics
4. Vocabulary
5. Fluency
6. Comprehension
7. Appreciation

Oral Language provides the foundation for learning to read and is related to overall reading achievement throughout primary and secondary schooling. From the moment of birth, a child is immersed in an environment that will have an immense impact on his or her long-term facility with oral and written language. Children who are surrounded by, and included in, rich and increasingly complex conversation, have an overwhelming advantage in vocabulary development. Providing your child experiences with books and other forms of print, seeing people reading as part of their everyday lives also prepare children for reading. Children are not born with the understanding that marks on a page can represent language; that we read English from left to right, and from the top of the page down, or even the way to open a book. I encourage you to read to your children, point out individual words as the story is read and ask questions about the pictures.

CELEBRATING NATIONAL RECONCILIATION WEEK
National Reconciliation Week, held from 27 May to 3 June, provides an opportunity for our school community to learn about our shared histories, cultures and achievements. It’s a time to celebrate and build on the respectful relationships between Aboriginal and Torres Strait Islander people and other Australians. The 27 May and 3 June are important dates in Australia’s history, and mark the successful 1967 referendum and the High Court Mabo decision. To learn more about National Reconciliation Week, visit www.reconciliation.org.au.

Students in the Indigenous Garden Yarning Circle with Donna Heal – Principal Education Advisor Australian Curriculum Indigenous Education. Donna recently visited our school for a week to meet with teachers in embedding Indigenous Perspectives within the classroom and also provided our teachers with professional development in facilitating a Yarning Circle. Donna will be back at the school in Week 9 for more planning meetings and follow up coaching facilitating a Yarning Circle.

Regards,
Alyson Covey
Principal

P & C NEWS
“CRAZY HAIR” DISCO Friday 3rd June
Don’t miss our first school disco for the year, which will be a “CRAZY HAIR” theme disco on Friday 3rd June in the school hall from 5.30 - 7pm (Prep – Year 3) and 7.15 - 9pm (Year 4 – 6). Admission is only $5 per student and sausage sizzle, drinks and other refreshments will be available for sale.

Parent volunteers are essential to help run the disco as we can’t safely run these events without enough adult supervision! We particularly need parents to help with the second (senior) disco, and Dads you are more than welcome to come to help out too (we won’t even make you get up to dance unless you want to!). This is a great opportunity come along and have some fun with your kids while helping out with a P&C fundraiser at the same time. Please email us at psspandc@hotmail.com if you can help out and put your name down on the volunteer roster.

Discounted Dreamworld Season Passes!
Don’t forget that P&C are able to obtain a group discount for season pass tickets to Dreamworld / WhiteWater World and the SkyPoint Observation Tower. These passes will be available for $69 each (children 3-13 years and pensioners) and $89 each (adults), allowing unlimited visits to these venues until 23 June 2017! This represents a significant saving on gate prices ($119 children / pensioners and $139 adults) and is great value family entertainment.

Please contact P&C at psspandc@hotmail.com if you would like to purchase some passes. Orders will need to be paid for and finalised by Friday 10 June in order for us to get the passes out prior to the next school holidays.

Uniform Shop
Uniform Shop opening hours – due to difficulties managing uniform shop orders during busy tuckshop times, the uniform shop will now only be open 8.10am – 11.30am Mondays and Tuesdays, unless special arrangements are made with Marni or Emma.

100% cotton uniform shirts – don’t forget that the next order (which must be prepaid) will be placed on the last Tuesday of Term Two (21 June). Please see Emma and Marnie in the tuckshop on a Monday or Tuesday before then to place your order.

OUR NEXT P&C MEETING WILL BE AT 1pm MONDAY 20TH JUNE IN THE OUTSIDE SCHOOL HOURS CARE BUILDING
Please email any agenda items to psspandc@hotmail.com
All welcome to attend!
Enrichment News

The 2016 National Science Week school theme is Drones, droids and robots. The theme will centre on the real-world application of autonomous technologies in areas including agriculture, mining, manufacturing, medicine and space and deep ocean exploration. Of course, we will also look at how this technology has transformed our day-to-day lives – from robot vacuum cleaners and lawn mowers to automated pool cleaners.

From 586 school applicants across the nation, we are fortunate to be one of 248 chosen to receive funding for our Science Week activities. Our School Quest will of course, focus on activities related to Drones, Droids and Robots with iPad robotics apps, Raspberry Pi Lego Mindstorms, creative robot constructions and a few surprises. Last year students awaited the Science Fact of the Day each morning, so we’ll continue that this year, together with the Science Quiz for each year level.

Readers Cup

Last term interested students from year 6 were selected to represent Pomona State School at the 2016 Children’s Book Council of Australia Reader’s Cup. The following students were chosen: Parker, Tyla, Lachlan and Riley. Our reserve team member, Eilean was a late addition and is to be commended for reading all the books in two weeks – twice! Each student was required to read six books. This year the books chosen by the committee were: Good Enough for a Sheep Station by David Cox, A Ghost In My Suitcase by Gabrielle Wang, Grimsdon by Deborah Abela, Wonder by R.J.Palacio, Star of Deltora – Shadows of the Master by Emily Rodda and Mister Cassowary by Samantha Wheeler.

The competition was held at the Immanuel Lutheran College in Buderim on Monday the 24th of May. Author, Samantha Wheeler was the Guest Presenter and she enthralled the audience with stories of her antics in North Queensland while researching cassowaries for her book Mister Cassowary.

Thank-you to Tracey Dean and Pru McIntyre who transported students to the event and cheered them on. Our team showed how thoroughly they read the books by winning their heat. As the reserve, Eilean competed against other reserves and gained a brilliant score of 48 from a possible 60. Unfortunately, our students did not progress to the finals, as only the top three scoring teams from the 24 schools were selected. However I was very proud of their diligent attitude and excellent conduct during the event. Well done Parker, Tyla, Lachlan, Riley and Eilean.

Each year students from Years 2 – 6 elect to participate in a series of academic competitions in a variety of curriculum areas. These competitions are in addition to their school work. The students complete exam papers that are marked by the University of New South Wales. It was wonderful to see so many students challenge themselves last week with the ICAS Digital Technologies test. Each one is to be commended for their efforts. These children will be rated against students from all around Australia. Our students have received some outstanding results in the past, but we’ll have to wait a little while for our 2016 results. Tuesday the 31st of May we will conduct the ICAS Science exam. Entries have closed for Writing and Spelling but are still open for English and Mathematics entries. They are each $8.00 per student.

UNDER 8s CELEBRATIONS

Parents and younger siblings of students from Prep to Year 2 are invited to join the fun as we celebrate Under 8s Week this Friday, May 27. Our youngest students will be enjoying a range of outdoor activities from 8:50am to 10:50am. All students must meet their teachers in their own classrooms at 8:40am for roll marking as usual - don’t be late and miss out!
2016 SCHOOL ATHLETICS CARNIVAL

Our 2016 Athletics Carnival is fast approaching and will be held over 2 days during week 11 of term 2. The upper school, (kids turning 9, 10, 11 and 12 in 2016) will participate over both days – Tuesday the 21st of June and Wednesday the 22nd of June. The lower school, (kids turning 5, 6, 7 and 8 in 2016) will have their races and junior carnival held on Wednesday the 22nd of June only. Both days start at 8:50am and run all day – please note that the junior carnival should wrap up by second break on the Wednesday. The Tuesday will be a rotation day for the upper school where they participate in field events such as long jump, high jump, ball games, shot put etc. The Wednesday is our whole school carnival day when we hold our sprints, 800m, relays, and announce the winning house/age champions at the end of the day (time permitting).

Students should apply sunscreen before the start of the day as they will compete in some events without their hats. Hats must be brought and worn when not competing. As always, students are encouraged to wear clothes according to their house colours. Students should also bring food and water as normal. Tuckshop will be available as always. Fingers crossed for good weather in week 11 and hope to see lots of families there to support the kids!

Regards,
Ben Byrne
HPE

NOOSA DISTRICT CROSS COUNTRY TRIALS

On Monday the 9th of May, 21 Pomona students attended the Noosa District Cross Country Trials held at Kin Kin. These students were selected from our own school Cross Country to represent us at the district trials and did a fantastic job! The challenging course started and finished at the Kin Kin town oval and required students to run either a 2km (10 years) or 3km race (11/12 years), through the town and local school. All of our Pomona students tried extremely hard in the hope of finishing in the top 5 so that they could represent Noosa District at the regional trials. We were fortunate enough to have Eden M finish 4th in the 10 years girls’ race. Eden will now compete at the regional trials held at Maroochydore on the 31st of May. Well done to all of our Pomona runners! Big thanks must go to Mrs Thompson for managing the team and Ms Saunders for assisting in training our runners at Runners’ Club!

Ben Byrne

A casual position exists for a Casual School Crossing Supervisor at Pomona SS, you may also need to relieve at other schools.

The School Crossing Supervisor may be required to work five days per week in all weather conditions. The hours of work for School Crossing Supervisors are normally 1.5 hours a day and usually comprise of one hour in the morning and ½ hour in the afternoon.

The successful applicant is dependent on:

- The favourable outcome of a health assessment carried out by a Government Medical Officer or a duly qualified Medical Practitioner according to the guidelines in the “Notes for Medical Practitioner” on the School Crossing Supervisor Scheme – Health Assessment Form; and
- A Positive Notice Blue Card (This means you do not need to have a blue card to apply for the position)

Applicants are required to advise in writing of any charges that have been laid against them or any offence of which they have been convicted of.

Applications addressing the selection criteria as listed in the position description must be submitted in writing to the school.

If you are successful in your application for this position, you can only commence employment with Transport and Main Roads if you hold a current Blue Card or are renewing your Blue Card and have submitted either a Blue Card Application form or Authorisation to Confirm Current Blue Card form to the Commission for Children and Young People and Child Guardian.

Address application to:

    Private and Confidential
    The Principal
    Pomona State School
    Box 34
    Pomona QLD 4568

Applications close at 3.00pm on 8 June 2016

For further information please phone the Road Safety on 07 54521827
Service Name: Pomona State School OSHC  Date: 24.05.16  Phone: 0450 247 974

What we've been up to in the past fortnight!
A lot has happened over the past fortnight! We have continued our Better Buddy leadership program. Within this program we have discussed leadership, positive environments and friendships, inclusion and exclusion, and helping each other and the environment. We have also started to create our ‘100 acts of kindness’ board and are currently up to number 40. We have begun spending more time outside, which happens straight after homework is finished. Outside we have been focusing on games of soccer and various soccer skills. We have also been participating in various group activities such as vampires and buzz off hairy legs. We also love to have free time outside as it allows us to create our own games and form friendships. Inside we have been doing plasticine modelling, chatterboxes, painting, and chalk drawing. We have also had a focus on chickens as our fruit scraps go home to Gaye’s chickens. Within this we have made chicken books, origami chickens, involved chickens in our drama play and also been chickens when we are transitioning outside.

What we have planned for the next fortnight!
In the next fortnight we will be continuing our soccer practice as this has been popular. We will also start creating some recycled art creations as the local bakery has been donating their recycled goods such as milk caps. If any children would like to bring in any recycled containers, this would also be appreciated.
We are still offering homework club if you would like to have your child/ren do it at after school care. We have it running from 3:10pm.

Important Notices:
The mornings at Pomona State School OSHC have been getting quite cold. Please encourage your children to bring a jumper. Also Kaitlyn will be away on the 27th, 30th and 31st of May and will be replaced by Vicki Beard.

What to do if your child is absent from After School Care:
Please remember parents if your child/ren are going to be absent from the service or have gone home sick please call us on 0450 247 974 or notify the customer experience team on 1300 105 343.
Holiday Club

We want to make kids smile and we know that a fun and engaging atmosphere is very important to help achieve this.

Due to a history of low demand for Holiday Club and a failure to increase bookings during term two for Before and After School Program, the decision has been made to not open the holiday club program for Autumn 2016 at Pomona State School. This decision has been made at this time to allow time for families to make alternate arrangements.

Please note that the current Before and After School Care program running at Pomona State School will continue to operate as usual with Before School Care operating from 6.00 am to 8.45 am and After School Care operating 2.50 pm – 6.00 pm each school day.

If you have any questions, please feel free to contact our Customer Service Team on 1300 105 343 (Monday-Friday from 8am to 6pm AEST).

DISCOUNT DREAMWORLD / WHITENATURE WORLD TICKETS!!

Thinking of taking the kids to Dreamworld over the next school holidays?

P&C have been given another opportunity to purchase bulk discounted Dreamworld / WhiteWater World Season Pass tickets as a school fundraiser. These tickets will be available for

- $69 each for children (3-13yrs) and pensioners;
- $89 each for adults

These passes allow unlimited visits to the Gold Coast theme parks Dreamworld and White Water World (as well as the Skypoint Observation Deck) until 23 June 2017! This represents a significant saving on normal gate prices for Season Passes ($119 for children / pensioners and $139 for adults).

We need a minimum order of 20 tickets to get this special price and will have to finalise the order by Friday 10th June so that we can get the tickets out before the holidays.

If you would like to place an order for tickets, please email P&C at: psspandc@hotmail.com ASAP (specifying how many and what type of tickets you require). If we reach a total of 20 or more orders by that date, we will confirm this with you and advise re payment, which will be due by Friday 10 June.

For more information please email P&C on psspandc@hotmail.com
a HEALTHY LUNCHBOX
made easy

Why healthy food is important for your kids?

• So they can get the nutrients they need to grow and stay healthy
• For learning, concentrating and being active (at school and home!)
• To keep them fuller for longer
• Maintain a healthy weight and develop good habits

The 5 food groups are the main building blocks for a healthy diet. Each group plays a role in helping us:

✓ GO (Grain/cereals)
✓ GROW (lean meats and poultry and dairy)
✓ GLOW (fruits and vegetables)

Packing the ‘FAST FIVE’

1. Main lunch
   Include protein and grain/cereal food.
   Sandwiches/wraps with fillings
   Salad with pasta/rice/couscous/3 bean mix
   Quiche/frittata
   Savoury homemade muffins
   Meatballs
   Cheese and ham crackers
   Soups

2 & 3. Nutritious snack
   Choose a snack from the 5 food groups
   Air-popped corn
   Veggie sticks and dip
   Reduced fat yoghurts
   Celery pieces with nut butter/cream cheese
   Cheese/Babybells, Laughing Cow
   Grain Waves
   Boiled egg
   Trail mix/nuts/dried fruit

4. Fruit
   Try diced, sliced, fresh or in natural juice!

5. Drink
   Water and occasionally 99% fruit drink or reduced fat milk drink.

Lunchbox Friendly Recipes

Pasta Salad with Avocado ‘Pesto’

Mix 2tbsp avocado, 1tbsp ricotta and 1tbsp lemon juice. Stir dressing through 1/2 cup pre-cooked pasta, tuna/chicken and 1 cup of chopped salad (e.g. lettuce, tomato, capsicum, beetroot, cucumber and corn). This recipe is great for turning leftovers into a family meal and lunchbox’s!

Apricot & Muesli Bliss Balls

2 cups muesli
1 cup dried apricots
1/4 cup honey
60g butter, melted
3/4 cup shredded coconut
Makes 72

1. Process muesli, apricots, honey and butter in a food processor until well combined (2-3 mins)
2. Place coconut on a plate.
3. Roll a tbsp of the mixture into balls and coat in coconut.
4. Refrigerate or freeze

Trail Mix

Combine 3 cups popcorn or wholegrain cereal (Special K, Cheerio’s) with 1/4 cup nuts, 1/4 cup sunflower seeds and 1/2 cup dried fruit.
