Dear Parents/Caregivers,

At Pomona State School we are very fortunate to have a vibrant and enthusiastic staff who make our school great.

PREP ENROLMENTS
The school is now taking Prep enrolments for 2017. Please contact the school to organise a school tour or to collect the enrolment information. Students eligible for Prep are those born between 1 July 2011 and 30 June 2012. Planning is well underway so if you or any of your friends have a child eligible for Prep in 2017 please contact the office regarding enrolment and adding your name to the mailing list to ensure you receive emails regarding information about upcoming transition days and information sessions.

UNIFORM EXPECTATIONS
As we all welcome our students to an exciting Term 3, these first few weeks are also critical for ensuring that our high expectations in work, behaviour and uniform are conveyed to all students consistently. Also this is the time for students to know expectations of full compliance with our uniform code. Jumpers with hoods are not to be worn at school. Any student not meeting this requirement will be issued with a uniform note and reminded of the correct standard. A big thank you to all of our parents for your wonderful support in this area. Please see Marnie and Emma in the Uniform shop should you need to purchase uniform items.

LOST PROPERTY
There are currently two large tubs of lost property outside the tuckshop. Items will be on display tomorrow. Please encourage your child to come and have a look at the items especially if they have misplaced a school jumper, as there are a number of school jumpers in the lost property.

EVERY DAY COUNTS
Did you know? Research shows that in Queensland, higher student attendance at school is associated, on average, with higher student achievement. Why is regular attendance at school important?
Regular school attendance will mean that your child gets a better chance at life. Your child will achieve better when they go to school all day, every school day:

- they learn better
- they make friends
- they are happier
- they have a brighter future.

FOCUS FORTY
Parents and caregivers of Pomona State School students may well have heard of our Positive Behaviour Learning – Focus Forty program. This is a whole school approach to creating a safe and supportive environment that has a strong evidence-base and is used successfully in many Queensland schools.
A safe and orderly school environment but is important to learning. Disruptive classroom behaviour is known to interfere with learning and is a cause of stress and concern for students, teachers and families. Most children start school with the social skills they need for success. They have learned these socially valued behaviours from their parents, families, carers, early childhood learning experiences and their social networks. Children learn behaviours very quickly, but often they may also learn “misrules” or behavioural errors. The fastest way to turn problem behavior around is by teaching students acceptable and appropriate ways to get what they need. At Pomona State School, we reinforce these teachings everyday through a variety of supportive initiatives:

- Week 7 – Making your wants known
- Week 8 – Including others

**EXEMPTION FROM COMPULSORY SCHOOLING**

Please be aware that any parents of students who are absent from school for 10 or more consecutive days must complete a form to exempt them from compulsory schooling for this period of time. The most common reason to complete this form is when families are travelling during the school term and sometimes it also includes those who have a medical condition, supported by a medical certificate. Forms can be collected from the school office.

**STRIVING FOR EXCELLENCE**

Each year Pomona State School participates in the International Competitions and Assessments for Schools (ICAS) academic competitions. This year students in Years 2 to 6 have selected to compete in Digital Technologies, Science, Writing, Spelling, English and Mathematics. These competitions are a great way for our students who are doing well to challenge their problem solving abilities in a text environment. These competitions also assist students in getting used to the test environment of NAPLAN, PAT Testing and secondary education. Congratulations to all students who received a Spelling ICAS certificate on Monday’s parade. Thank you to Mrs Ramsay for coordinating the ICAS exams for our students.

**ADMINISTERING MEDICATION AT SCHOOL**

If your child requires staff to administer medication to your child at school, please contact the school office in the first instance to discuss your child’s requirements. Please note, school staff will only administer medication that:

- has been prescribed by a qualified health practitioner (e.g. doctor, dentist)
- is in its original container
- has an attached pharmacy label.

Office staff will ask you to complete and sign Section 1 of the Administration of medication at school record sheet.

N.B. If your child requires more than one medication, you will need to complete a form for each medication.

Please note, school staff will not administer medication that you can buy over-the-counter at chemists and supermarkets (e.g. paracetamol, eye drops, cough syrup) unless it has been prescribed by your child’s qualified health practitioner. For example, the school would administer paracetamol to a student only if it has been prescribed by their dentist to be taken for a short time after dental treatment. School staff are bound by these regulations and we hope that all parents will acknowledge and cooperate with these rules.

Regards,

**Alyson Covey**

Principal

**CHILDREN’S BOOK WEEK**

The Book Fair is proving to be extremely popular this year and will continue until Friday morning. Thank you to those who have come to purchase books. Don’t forget to get your costumes ready for the week’s finale, The Book Character Costume Parade. It will be held in the hall this Friday morning. There are prizes for the best dressed boy and girl from each year level. It is sure to be an entertaining morning!
THANK YOU TO OUR HELPERS!
A big thank you to everyone who helped out at the Mountain Bike Club catering event at our school on Sunday 14 August. Our president Matt Saunderson did a great job organising this and was well supported by his daughters Emma and Tiffany Saunderson (well done girls!) and grown-up volunteers Nikki Olds, Brian George and Jamie Harrison. Belinda Wedlock, Jaymie Suares, Jamie and Mel Harrison, Katie Durdin and Jo Berridge helped with food preparation / home baking supplies. Great team work has once again given P&C the opportunity to promote our school in a positive way and should see a profit of $500-$600.

P&C FUNDRAISING – WHERE DOES THE MONEY GO???
Each year our P&C fundraising activities (such as this catering event) raise a significant amount of money for valuable school resources. This year it is planned to spend our fundraising budget on a variety of items to enhance student learning and our school community, including a $500 donation to the school’s Garden Club, $500 for umbrella shades for the Prep play area and a $1000 donation for literacy resources. Further discussions re allocation of fundraising money will take place at our next P&C meeting, so please come along if you would like to contribute ideas.

TUCKSHOP VOLUNTEERS
Our school is fortunate to have a great tuckshop run by coordinators Marni and Emma, supported by their wonderful team of volunteers. More volunteers are always welcomed, particularly from 8.15am, when helpers are needed even for just 30 – 45 minutes to take orders and money from students and families (while Marni / Emma are busy cooking) - no food preparation duties required. If you can help out please see Marni or Emma at the tuckshop.

Our hardworking tuckshop convenors and volunteers deserve our thanks so a special “Tip Jar” has been set up at the tuckshop for anyone who would like to express their appreciation for their efforts. All money raised from the tip jar will go towards a special end of year celebration dinner for the tuckshop staff / volunteers, so please contribute generously!

FATHER’S DAY STALL

Next week the P and C are holding the Fathers’ Day stall.
Tuesday – Year 4, 5 and 6 (30th August)
Thursday – Prep, Year 1, 2 and 3. (2nd September)
Each class will be given time to visit and make a purchase should they wish.
Gifts range in value from $2 to $12.
Fathers’ Day - Sunday - 4th September

FATHER’S DAY DONATIONS
Donations are needed for the school Father’s Day Stall. Please leave any suitable donations at the office early next week. For any enquiries please ring Rosemary on 0413 477 473.

OUR NEXT P&C MEETING WILL BE AT 6pm on Monday 29th August IN THE SCHOOL LIBRARY
Please email any agenda items to psspandc@hotmail.com
All welcome to attend!
A casual position exists for a Casual School Crossing Supervisor at Pomona State School, you may also need to relieve at other schools.

The School Crossing Supervisor may be required to work five days per week in all weather conditions. The hours of work for School Crossing Supervisors are normally 1.5 hours a day and usually comprise of one hour in the morning and ½ hour in the afternoon.

The successful applicant is dependent on:

- The favourable outcome of a health assessment carried out by a Government Medical Officer or a duly qualified Medical Practitioner according to the guidelines in the “Notes for Medical Practitioner” on the School Crossing Supervisor Scheme – Health Assessment Form; and
- A Positive Notice Blue Card (This means you do not need to have a blue card to apply for the position)

Applicants are required to advise in writing of any charges that have been laid against them or any offence of which they have been convicted of.

Applications addressing the selection criteria as listed in the position description must be submitted in writing to the school.

If you are successful in your application for this position, you can only commence employment with Transport and Main Roads if you hold a current Blue Card or are renewing your Blue Card and have submitted either a Blue Card Application form or Authorisation to Confirm Current Blue Card form to the Commission for Children and Young People and Child Guardian.

Address application to:

Private and Confidential
The Principal
Pomona State School
Pomona QLD 4568

Applications close at 3.00pm on 9 September 2016

For further information please phone the Road Safety on 07 54521827
**DISTRICT ATHLETICS**

On Tuesday the 9th of August, 30 Pomona students attended the Noosa District Athletics Trials held at Girraween Sports Complex. These students were selected from our own school Athletics Carnival held in term 2 and did a fantastic job at representing Pomona State School!

All of our students tried extremely hard in the hope of finishing in the top 2 (or 4 depending on qualifying distances, heights or time) so that they could represent Noosa District at the regional trials. We were fortunate enough to have Paris H (Shotput), Parker D (200m), Juanita D (Shotput), and Tara M (Long jump), selected in the Noosa District Team. These girls will compete on Thursday the 1st and Friday the 2nd of September against students from other districts at the Sunshine Coast University. Well done to all Pomona students who represented our school for excellent behavior and having a go! Special thanks to Mr Trewick and Shaylene Brock for helping in managing the team.

Ben Byrne

P.E

A **Big Thank you** to Bunnings Noosaville and Siobhan Grey, the WH Activities Organiser for their support of our schools projects over the last few years. Bunnings Noosaville has once again supported us with a donation of rubber play equipment matting for our Sensory Garden. This matting will not only increase the life of our ‘Let Go Logs’ and ‘Crossover Bridge’ but make it safer for the students. Their support for these projects is very much appreciated and certainly enhances the results.

Shaylene & Wayne

Garden Club co-ordinators

Siobhan Grey hands over a donation of rubber matting.
ICAS COMPETITION RESULTS FOR 2016

Each year students from Years 2 – 6 across Australia, elect to participate in a series of academic competitions across a range curriculum areas. These competitions are in addition to their school work. The students complete exam papers that are marked by the University of New South Wales. Our students have received some outstanding results in the Digital Technologies and Science and Spelling competitions. The results for Writing will be announced at Assembly on Monday 29th August 2016.

English and Mathematics results are currently being marked and we will present them when they arrive. It was exciting to see so many students challenge themselves this year. Each one of them is to be commended for their efforts. Congratulations to everyone who participated and listed below are students who received Merits, Credits or Distinctions. These children were rated against students from all around Australia who opted to sit the exams.

DIGITAL TECHNOLOGIES

DISTINCTION – Curtis’ score was in the top 5% of participating Year 6 students throughout Australia.
CREDIT – Liam (3SL), Piper (3PT), Holly (4JR), Justin (4SF), Thomas (5/6PT) and Kate (5GB)
MERIT – Jove (3SL), Sam (5/6ST)

SCIENCE

DISTINCTION – Molly’s score was in the top 7% of participating Year 3 students and Ryder’s score was in the top 11% of participating Year 2 students.
CREDIT – Madison (2KL), Liam (3SL), Zoey (3PT), Lindsay (3PT), Zayd (4JR) and Zachary (4JR), Thomas (5/6ST), Kate (5GB), Sam (5/6ST)
MERIT – Curtis (5PT)

SPELLING

DISTINCTION – Madison’s (2KL) score was in the top 6% of participating Year 2 students and Lindsay’s (3PT) score was in the top 10% of participating Year 3 students.
CREDIT – Naomi (2KL), Indi (2KL), Zayd (3GB), Justin (4SF), Jemma (5ED), Thomas (5/6ST) and Parker (5/6ST)
MERIT – Piper (3PT) and Kate (5GB)

These results are brilliant and we look forward to the upcoming results for the ICAS competitions in English and Mathematics.
**Drones, Droids and Robots**

Students at Pomona State School delved into the world of Drones, Droids and Robots on Wednesday 17 August and Thursday 18 August, all in the name of science. Armed with their iPads and a burning curiosity, students set out to discover what the difference is between a drone, a droid and a robot, and how we use them in everyday life.

It was all part of Pomona State School’s celebration of National Science Week.

“"The students from Prep to Year 2 were fascinated with the NAO robot that visited the school. The humanoid robot interacted with the children and then danced with them. Students in Years 3 to 6 completed their Science Quest by completing the challenges set up to study robotics and coding. Some of the students gave demonstrations and presentations about the Raspberry Pi, the BB-8 Star Wars Sphero and the LEGO MINDSTORMS Robots.

Pomona State School was one of 248 schools awarded a National Science Week school grant in 2016. The grants help schools to run activities and events during the Week and are coordinated by the Australian Science Teachers Association, with support from Primary Connections. It’s great that we can use our Science Week grant to encourage their love of robotics and coding.

**Congratulations to our winners of the Science Week Competition:**
Prep – Year 2 Lara A
Year 3 – Year 6 Ava C

This Friday, the **26th of August is the last day** to enter the Premier’s Reading Challenge. Forms must be returned to your child’s teacher no later than this date.

If you need more forms, please email me: jrams75@eq.edu.au
