Dear Parents/Caregivers,

Pomona State School Parents & Citizens Association is a dynamic group of fantastic volunteers who do an amazing job supporting our students and the wider community. I would like to remind parents and community of the invaluable role the P&C play at Pomona State School. I’d like to thank all the volunteers and P&C members who contributed to a fantastic Disco last Friday night. Thank you to all the students and their families who supported the disco even though the weather was less than ideal. A great night was had by all who attended.

EVERY DAY COUNTS

Parents/caregivers are reminded of the importance of sending children to school on every school day unless there is a reasonable excuse for the student to be away, such as illness. Research shows that students who have a good attendance record are more likely to achieve high results.

The success of our Daily Rapid Reading and MiniLit programs is reliant on students being at school every school day.

EXEMPTION FROM COMPULSORY SCHOOLING

Please be aware that any parents of students who are absent from school for 10 or more consecutive days must complete a form to exempt them from compulsory schooling for this period of time. The most common reason to complete this form is when families are travelling during the school term and sometimes it also includes those who have a medical condition, supported by a medical certificate. Forms can be collected from the school office.

READING FOCUS

Learning to read is the most important educational outcome of primary education. Reading is a complex process that builds on oral language and encompasses both specific skill development and the use of comprehension strategies. Over coming newsletters there will be an elaboration of the ‘The Big 7’ – Components of reading and how you can assist at home to help your child in their reading development.

The Big 7
1. Oral Language
2. Phonemic awareness
3. Phonics
4. Vocabulary
5. Fluency
6. Comprehension
7. Appreciation

Phonemic awareness concerns the structure of spoken words rather than their meaning or their representation in print. Phonemes are the smallest discernible unit of sound in speech and phonemic awareness is knowledge of, and capacity to manipulate, individual phonemes in spoken words. Phonemic awareness facilitates learning to read because beginning readers must first have, or develop, some understanding that spoken words are composed of individual and distinguishable sounds, rather than perceiving each word as a single sound. Good phonemic awareness makes it easier for beginning readers to understand that written words are composed of graphemes (printed letter and letter combinations) that correspond to phonemes. Students with good phonemic awareness tend to become better readers than those without.
PREP ENROLMENTS
We are now taking Prep enrolments for 2017. If you are considering enrolling, enrolment packs can be collected from the office or downloaded from the Pomona State School website. Please contact the school office for more information.

UNIFORMS
As we are now experiencing cooler weather there are a number of students who are consistently out of school uniform. Please ensure your child has the correct school uniform. If they have misplaced or outgrown their school jumper, new and second hand jumpers can be purchased from the tuckshop.

There is currently a large box of lost property outside the tuckshop with a number of school jumpers and other items. If you are experiencing financial hardship and are unable to provide your child with the correct school uniform please contact the school as assistance can be provided.

FACILITIES UPGRADE
We are very excited to share that G Block (Year 5 and 6) will receive a facility upgrade with the removal of all the old heavy wooden doors. These are being replaced with a lightweight aluminum framed sliding door.

The outdoor learning area is also having the shade structure replaced with a fixed roof structure that will be larger making the area more accessible for students and staff in inclement weather.

Our pool has been drained and is currently having all seals replaced and repainted. The pool will also have a new filtration system installed ready for the next swimming season.

REPORT CARDS
Report cards will be sent home on Thursday 23rd June.

SCHOOL WATCH
Help us keep an eye on our school these holidays. If you see anything suspicious please don’t attempt to intervene, call the School Watch number – 131 788. Let’s work together to help create a safer school community.

IMPORTANT CYBER SAFETY TIPS
The department has recently been alerted to random users contacting children using the social media app ‘Instagram’.

The following tips are provided to parents on how their children can avoid random contact on social media:

1. Know which social media your child uses.
2. Discuss with your child who their online friends and followers are. Only be friends with people online who you know and trust in the real world.
3. Take a proactive approach and establish clear and agreed rules for your child’s internet use.

Also, parents of bus children, please remember to inform the office via a “Bus Note” sent with your child to school or a phone call/email, if there is a change to their normal travel arrangements.
P & C NEWS

LAST CHANCE TO PURCHASE DISCOUNT DREAMWORLD PASSES!!

This week we are finalising our group order for season pass tickets to Dreamworld / WhiteWater World and the SkyPoint Observation Tower so please email P&C at psspandc@hotmail.com ASAP if you would like to purchase some. The passes are $69 each (for children aged 3-13 years and pensioners) and $89 each (for adults), allowing unlimited visits to these venues until 23 June 2017! This represents a significant saving on gate prices ($119 children / pensioners and $139 adults) and is great value family entertainment. **Orders will need to be paid for and finalised by Friday 10 June in order for us to get the passes out prior to the next school holidays…**

DISCO THANK YOU

Thank you so much to all the volunteers who helped our P&C fundraising team members Rosemary Burrows and Karen Gillespie run the “Crazy Hair” disco in the school hall last Friday night. Despite the wet weather there was a great turnout and everyone had a great time while also raising funds for valuable school resources. **Well done Rosemary, Karen and all our helpers!**

VOLUNTEERS NEEDED – LIONS CLUB DINNER 22nd JUNE

The Pomona-Cooroy Lions Club help out our community and our school in many ways, including the running of the King of the Mountain Festival and being the main hot food provider at our school’s Pomona in the Park event in November. As a way of thanking them, each year P&C arrange for 2 – 3 volunteers to help out at the Lions Youth of the Year and Changeover dinners, helping serve food and clear / wash dishes afterwards, to allow all members of the Lions Club to participate in these events. Volunteers are again needed to help at the Changeover dinner at the Lions Clubhouse (the old Scout Den on the Corner of Mountain and School Streets in Pomona) from **6pm on Wednesday 22nd June.** If you could come along to help us say thanks to the Lions Club, please contact P&C at psspandc@hotmail.com as soon as possible.

UNIFORM SHOP

Uniform Shop opening hours – due to difficulties managing uniform shop orders during busy tuckshop times, the uniform shop will now only be open **8.10am – 11.30am Mondays and Tuesdays**, unless special arrangements are made with Marni or Emma.

**100% cotton uniform shirts** – don’t forget that the next order (which must be prepaid) will be placed on the last Tuesday of Term Two (21 June). Please see Emma and Marnie in the tuckshop on a Monday or Tuesday before then to place your order.

OUR NEXT P&C MEETING WILL BE AT 1pm MONDAY 20TH JUNE IN THE OUTSIDE SCHOOL HOURS CARE BUILDING

Please email any agenda items to psspandc@hotmail.com
All welcome to attend!

TUCKSHOP TALK

We would like to start with a HUGE thanks to our trusty team of volunteers who not only make the delish, fresh food for all to enjoy, but also make our days fun. It truly is a pleasure to work with you all! We currently have only one helper on Tuesdays and Fridays so if you’ve been thinking of giving it a go, we would love to hear from you. Fridays are our busiest day so even if it’s only an hour you can donate, it is a greater contribution than you may realise.

SPORTS DAY is coming up in the last week of term on Wed 22nd June and we are opening the tuckshop as a take-away outlet. Our fridge will be stocked with fresh sandwiches, rolls and wraps as well as hot food ready to go. Rosemary will also be on the oval with snacks and drinks. We will open for counter sales at 10am. See the special menu attached to the newsletter, and please note that this is the only food available on the day.

We hope to see you there!

2016 SCHOOL ATHLETICS CARNIVAL

Our 2016 Athletics Carnival is fast approaching and will be held over 2 days during week 11 of term 2. The upper school, (kids turning 9, 10, 11 and 12 in 2016) will participate over both days – Tuesday the 21st of June and Wednesday the 22nd of June. The lower school, (kids turning 5, 6, 7 and 8 in 2016) will have their races and junior carnival held on Wednesday the 22nd of June only. Both days start at 8:50am and run all day – please note that the junior carnival should wrap up by second break on the Wednesday. The Tuesday will be a rotation day for the upper school where they participate in field events such as long jump, high jump, ball games, shot put etc. The Wednesday is our whole school carnival day when we hold our sprints, 800m, relays, and announce the winning house/age champions at the end of the day (time permitting).

Students should apply sunscreen before the start of the day as they will compete in some events without their hats. Hats must be brought and worn when not competing. As always, students are encouraged to wear clothes according to their house colours. Students should also bring food and water as normal. Tuckshop will be available as always. Fingers crossed for good weather in week 11 and hope to see lots of families there to support the kids!

Regards,
Ben Byrne

What we've been up to in the past fortnight!
A lot has happened over the past fortnight! We have continued our Better Buddy leadership program. Within this program we have discussed leadership, positive environments and friendships, inclusion and exclusion, and helping each other and the environment. Alongside this we have been taking our Buddy Bears outside with us to play games such as Buzz off hairy legs and vampires. Outside, we have also been playing cricket, soccer, football, frizbee and doing some skipping. Inside our drama play has included a beauty salon, restaurants, families and animals. We have been doing some cooking inside and outside, including cooking carrot cake and banana bread. To coincide with the crazy hair disco, we designed our own crazy hair on paper. We also have explored where our rubbish goes, such as recycled items, non-recycled items and what we can feed to Gaye’s chickens. We then created bird feeders using recycled and natural materials. The natural materials were also used in our collages and we have been using recycled milk caps, from Pomona bakery, in our arts and crafts to make caterpillars.

What we have planned for the next fortnight!
In the next fortnight we will be continuing with incorporating recycled items into our art and our play. If any children would like to bring in any recycled containers, this would also be appreciated. We will also be making board games, doing some colouring ins and painting. Outside we will be investigating nature, playing soccer, skipping and doing relays. We are still offering homework club if you would like to have your child/ren do it at after school care. We have it running from 3:10pm.

Important Notices:
The mornings at Pomona State School OSHC have been getting quite cold. Please encourage your children to bring a jumper and long pants. We do have a lot of jumpers left in lost property.
Due to a history of low demand for Holiday Club and a failure to increase bookings during term two for Before and After School Program, the decision has been made to not open the holiday club program for Autumn 2016 at Pomona State School.

What to do if your child is absent from After School Care:
Please remember parents if your child/ren are going to be absent from the service or have gone home sick please call us on 0450 247 974 or notify the customer experience team on 1300 105 343.

COORAN ACOUSTIC NIGHT!

On 11th June 2016 at the Cooran Hall. 

Over in the hills west of Noosa, far away from the bustle, is the quaint little town of Cooran. Nestled in one of the many valleys it has an early history which has been rich in activity and community.

One of the oldest buildings in the Noosa Shire is the Cooran Memorial School of Arts Hall. In its day the central hub for social gatherings and important meetings, it remains today a pivotal centre for the arts, and community groups.

The old hall has seen many upgrades to its’ interior; and now- due to the hard work and diligence of local individuals, boasts a brand new sound & lighting system, and new de-mountable stage. For any who doubt the prudent allocation of grants in the community this has definitely been money well-spent.

It is generally known that music & sound play a significant part in our lives. Travelling along with the history of the hall, and now in to its’ 28th year, is the Cooran Acoustic Night. This iconic little event, run by volunteers, enjoys the magnificent acoustics of the 110 year old hall. Within the aged timber structure, singers, musicians, actors and artists are able to share their talents with the audience. A VERY BIG ‘Thank You’ to the Cooran Memorial School of Arts Inc., for the contribution of their time in obtaining the grant, & Shake-It-Up Music for giving such a great deal on the sound system.

The Cooran Acoustic Night welcomes all acts, and is open to all who wish to perform, from amateurs to professionals.

Cooran hall is in King Street, Cooran. Doors open @7pm; be there by 6.30pm to get your name on the blackboard. $4 entry, Kids free. This is an alcohol free event.
