Dear Parents/Caregivers,
Welcome to Term 3.
I trust all families had a restful break over the winter holiday period and are returning to school refreshed and focused on the term ahead.
Welcome to our new families who have recently joined the Pomona State School family, we look forward to the term ahead with you.

UNIFORM EXPECTATIONS
As we all welcome our students to an exciting Term 3, these first few weeks are also critical for ensuring that our high expectations in work, behaviour and uniform are conveyed to all students consistently. Also this is the time for students to know expectations of full compliance with our uniform code. Any student not meeting this requirement will be issued with a uniform note and reminded of the correct standard. A big thank you to all of our parents for your wonderful support in this area. Please see Marnie and Emma in the Uniform shop should you need to purchase uniform items.

PERCEPTUAL MOTOR PROGRAM
Mr Byrne (PE TEACHER) will be partnering with Cooroy Gymnastics to deliver a perceptual motor program for students in Prep (PSM and PBB). The aim of the programme is for students to learn and consolidate fundamental movements and body awareness. These fundamental motor patterns of stability, locomotion and manipulation encompass running, jumping, landing, rolling, hopping, climbing, throwing and kicking. The programme will run for six weeks starting on Monday 18th July.
Parents and caregivers will receive information in regards to completing the SCHOOL OPINION SURVEY online this Friday. Look out for the blue parent/caregiver survey form with the online link and unique access codes to enable you to complete this survey. This information will be sent home with the eldest child in each family on FRIDAY. The information gathered from parents, students and staff assists the school in planning for the future.

BIKES, SCOOTERS AND SKATEBOARDS
Parents please remind students that bikes, scooters and skateboards are to be left in the bike rack area. It is the students responsibility to ensure that they are secure in this area ie. bike chain and lock.

EVERY DAY COUNTS
Every Day Counts – School Attendance.
Did you know? Research shows that in Queensland, higher student attendance at school is associated, on average, with higher student achievement.

Pomona State School’s Absence Reporting Phone Number 5480 8260
Please use the phone number for reporting absences.

Why must I send my child to school?
Under Queensland law, you must make sure your child of school age is enrolled and attends school all day, every school day unless they have an acceptable reason. Illness, doing work experience or competing in a school sporting event are acceptable reasons for being absent from school. Principals decide if the reason given for your child’s absence is acceptable.

FOCUS FORTY
Parents and caregivers of Pomona State School students may well have heard of our Positive Behaviour Learning – Focus Forty program. This is a whole school approach to creating a safe and supportive environment that has a strong evidence-base and is used successfully in many Queensland schools. A safe and orderly school environment is important to learning. Disruptive classroom behaviour is known to interfere with learning and is a cause of stress and concern for students, teachers and families. Most children start school with the social skills they need for success. They have learned these socially valued behaviours from their parents, families, carers, early childhood learning experiences and their social networks. Children learn behaviours very quickly, but often they may also learn “misrules” or behavioural errors. The fastest way to turn problem behavior around is by teaching students acceptable and appropriate ways to get what they need. At Pomona State School, we reinforce these teachings everyday through a variety of supportive initiatives:
Week 1 – Accepting your body
Week 2 – Giving clear directions

EXEMPTION FROM COMPULSORY SCHOOLLING
Please be aware that any parents of students who are absent from school for 10 or more consecutive days must complete a form to exempt them from compulsory schooling for this period of time. The most common reason to complete this form is when families are travelling during the school term and sometimes it also includes those who have a medical condition, supported by a medical certificate. Forms can be collected from the school office.

Weet-Bix TRYathlon 2016 – SUNSHINE COAST
Check out our Pomona State School representatives in the Weet-Bix TRY.

Above: Congratulations to Curtis D, Eden M and Jedd T who participated in the TRY. Well done to Parker D (below) for her exemplary journalist skills.
Stay warm and dry over the coming days.

Alyson Covey

KING OF THE MOUNTAIN FESTIVAL 24 JULY – VOLUNTEERS PLEASE!
This year our school P&C will once again be running a hot food stall at Pomona’s King of the Mountain Festival (Sunday 24th July in Stan Topper Park). As well as being a major fundraising activity, this stall provides an opportunity to promote our school as an important part of our local community. Please contact P&C by email at psspande@hotmail.com (or leave a message with your contact details at the school office) if you would be able to help out, either on the Sunday at the food stall or the day before in setting up / preparing food. Many hands do make light work, and even just an hour or two of your help would be much appreciated!

Donations of items for the food stall would also be appreciated (ie. bags of onions, tins of sliced beetroot, tomato / BBQ sauce / mustard, napkins, paper towel rolls, straws, cooking oil spray, tea towels). Please leave any of these donations at the tuckshop for P&C members to collect.

TUCKSHOP VOLUNTEERS
Our school is fortunate to have a great tuckshop run by coordinators Marni and Emma, supported by their wonderful team of volunteers. More volunteers are always welcomed, particularly from 8.15am, when helpers are needed even for just 30 – 45 minutes to take orders and money from students and families (while Marni / Emma are busy cooking) - no food preparation duties required. If you can help out please see Marni or Emma at the tuckshop.

Our hardworking tuckshop convenors and volunteers deserve our thanks so a special “Tip Jar” has been set up at the tuckshop for anyone who would like to express their appreciation for their efforts. All money raised from the tip jar will go towards a special end of year celebration dinner for the tuckshop staff / volunteers, so please contribute generously!

UNIFORM POLICY
Pomona State School has a uniform policy (as outlined on the school’s website) that is approved with the input of the P&C, with the P&C then having responsibility for stocking and running the school’s uniform shop. Currently the P&C are looking to achieve three related goals - streamline our uniform suppliers and ordering processes; facilitate high adherence to the school’s uniform policy; and supply quality uniforms to the school community at affordable prices.

At our next P&C meeting on 1st August we will be discussing with our principal Alyson Covey a forward plan (through to 2019) to achieve those goals through a gradual transition. If you would like to be part of this discussion please come along to our next P&C meeting or email your comments to psspande@hotmail.com

OUR NEXT P&C MEETING WILL BE AT 6pm on MONDAY 1ST AUGUST IN THE SCHOOL LIBRARY Please email any agenda items to psspande@hotmail.com All welcome to attend
TUCKSHOP NEWS
We have fine-tuned the menu to offer a variety of food to suit all tastes. Keep an eye out for the specials that we make each week, they sell pretty quickly as they are super tasty and very good value.
We would like to give our heartfelt thanks to our amazing team of volunteers who help make the tuckshop run smoothly. You are awesome!
We are very proud of the fact that most of the food on the menu is made from scratch. New volunteers are always needed to ensure we continue to provide healthy home cooked meals for our kids.
If you have a spare morning or even just an hour during the week to join our awesome team of volunteers, please call in to the Tuckshop and let us know. You can learn some new skills, recipe ideas, have a laugh, a bite to eat and get a nice warm fuzzy feeling from doing a good deed!
