Dear Parents/Caregivers,

At Pomona State School we are very fortunate to have a fabulous playground at the front of our school. During the school day, any time students are permitted in a playground it is a requirement that direct supervision is provided by a teacher. Some parents may wish for students to have some extra time on the playground straight after school while they are here collecting their children. This is only possible if the parent is providing direct supervision at the playground with the child. All responsibility for the safe and appropriate use of the playground equipment at this time is placed on the supervising parent. No child is allowed on the playground equipment without their parent right there with them. I ask all parents to please support us in the safety requirement.

UNIFORM EXPECTATIONS

As we all welcome our students to an exciting Term 3, these first few weeks are also critical for ensuring that our high expectations in work, behaviour and uniform are conveyed to all students consistently. Also this is the time for students to know expectations of full compliance with our uniform code. Jumpers with hoods are not to be worn at school. Any student not meeting this requirement will be issued with a uniform note and reminded of the correct standard. A big thank you to all of our parents for your wonderful support in this area. Please see Marnie and Emma in the Uniform shop should you need to purchase uniform items.

SCHOOL OPINION SURVEY

Parents and caregivers should have received information in regards to completing the SCHOOL OPINION SURVEY online. The suite of School Opinion Surveys are undertaken each year by the Department of Education and Training to obtain opinion information from parents/caregivers, students and school staff. The surveys are designed to help schools identify what they do well and how they can improve. The School Opinion Survey suite is comprised of five individual surveys:

- Parent/caregiver Survey
- Student Survey
- Student Survey for Special Schools
- Staff Survey
- Principal Survey

Opinions on the school, student learning and student wellbeing are sought from a parent/caregiver in all families and a sample of students from year 4-6. Opinions on the school as a workplace are sought from all state school staff and principals. Additional questions are included for teaching staff on their confidence to teach and improve student outcomes, while principals are also asked on their confidence to lead the school, including improvements in student outcomes. Your response is completely confidential. I hope you will complete the survey to provide us with information and feedback for Pomona State School.

BIKES, SCOOTERS AND SKATEBOARDS

Parents please remind students that bikes, scooters and skateboards are to be left in the bike rack area. It is the students’ responsibility to ensure that they are secure in this area ie. bike chain and lock.

EVERY DAY COUNTS

Did you know? Research shows that in Queensland, higher student attendance at school is associated, on average, with higher student achievement.

Why is regular attendance at school important?

Regular school attendance will mean that your child gets a better chance at life. Your child will achieve better when they go to school all day, every school day:

- they learn better
- they make friends
- they are happier
- they have a brighter future.
**Why must I send my child to school?**
Under Queensland law, you must make sure your child of school age is enrolled and attends school all day, every school day unless they have a reasonable excuse. Illness, doing work experience, competing in a school sporting event or going on a school excursion are reasonable excuses for being absent from school.

Principals decide if the excuse given for your child’s absence is reasonable.

Avoid keeping your child away from school for:
- birthdays, shopping, visiting family and friends, if they sleep in, looking after other children, minor check-ups or care such as haircuts.

Routine medical or other health appointments should be made either before or after school or during the school holidays.

While it is a last resort, it is important to understand that you may be prosecuted if your child is not attending school regularly.

**What should I do if our family is going on a holiday in school time?**
You are encouraged not to schedule holidays during school time. If your family holiday is during school time, let the school know in advance and talk about what arrangements can be made for your child. Depending on the circumstances the school may be able to provide tasks for your child to complete while they are absent or assist you to organise an exemption from schooling.

**Do I need to let the school know if my child has been away from school?**
Yes, you must let the school office know the reason why your child is absent from school, if not beforehand, then within two school days of their return to school. The school absence line number is 54 808 260.

**FOCUS FORTY**
Parents and caregivers of Pomona State School students may well have heard of our Positive Behaviour Learning – Focus Forty program. This is a whole school approach to creating a safe and supportive environment that has a strong evidence-base and is used successfully in many Queensland schools.

A safe and orderly school environment but is important to learning. Disruptive classroom behaviour is known to interfere with learning and is a cause of stress and concern for students, teachers and families.

Most children start school with the social skills they need for success. They have learned these socially valued behaviours from their parents, families, carers, early childhood learning experiences and their social networks. Children learn behaviours very quickly, but often they may also learn “misrules” or behavioural errors.

The fastest way to turn problem behavior around is by teaching students acceptable and appropriate ways to get what they need. At Pomona State School, we reinforce these teachings everyday through a variety of supportive initiatives:
- Week 3 – Rights and Responsibilities
- Week 4 – Helping

**EXEMPTION FROM COMPULSORY SCHOOLING**
Please be aware that any parents of students who are absent from school for 10 or more consecutive days must complete a form to exempt them from compulsory schooling for this period of time. The most common reason to complete this form is when families are travelling during the school term and sometimes it also includes those who have a medical condition, supported by a medical certificate. Forms can be collected from the school office.

**STUDENT RESOURCE SCHEME**
Pomona State School in consultation with the P&C Association has chosen to operate a Student Resource Scheme for 2016 to assist parents with the cost and resourcing of additional educational resources that provide enhanced learning opportunities. The scheme is supported and approved by the School’s Parents and Citizens Association and operates under the policy and guidelines of The Department of Education and Training (DET). The scheme is not used to raise funds for other purposes. The scheme provides the entire package for the specified participation fee and is not available in parts.

Participation in the scheme is voluntary and there is no obligation placed on a parent/caregiver to participate. A parent/caregiver’s decision to participate is based on consideration of the value and convenience afforded by the scheme. However, please be aware that materials required under this scheme are not funded by school grants.

The purpose of the scheme is to provide the parent/caregiver with a cost effective more economical alternative to purchasing required resources and consumables through reduced prices gained from the school’s bulk purchasing processes. The provision of this scheme ensures that well-resourced learning by our students remains our key focus.

Total cost of the scheme is $60.00 per student and details of what is included in the scheme will be forthcoming, but includes subscriptions to Mathletics, Reading Eggs, Ebooks, Apps, school produced workbooks, as well as Design & Food Technology and Art supplies. You will be invoiced early in 2016 after returning your participation agreement form, should you wish to participate.

If you do not wish to participate you will need to return the form and it will then be your responsibility to purchase/provide all the resources provided by the scheme.

**Please provide your child’s unique Mathletics and Reading Eggs log on and password, as teachers are currently using this in their classrooms.**

If you are experiencing financial difficulty or would like to make regular instalments please contact Carol Crump – Business Services Manager at the school office.

Thank you to those parents who have already returned their form and paid.
STRIVING FOR EXCELLENCE
Each year Pomona State School participates in the International Competitions and Assessments for Schools (ICAS) academic competitions. This year students in Years 2 to 6 have selected to compete in Digital Technologies, Science, Writing, Spelling, English and Maths. These competitions are a great way for our students who are doing well to challenge their problem solving abilities in a text environment. These competitions also assist students in getting used to the test environment of NAPLAN, PAT Testing and secondary education.

ADMINISTERING MEDICATION AT SCHOOL
If your child requires staff to administer medication to your child at school, please contact the school office in the first instance to discuss your child’s requirements.
Please note, school staff will only administer medication that:
- has been prescribed by a qualified health practitioner (e.g. doctor, dentist)
- is in its original container
- has an attached pharmacy label.

Office staff will ask you to complete and sign Section 1 of the Administration of medication at school record sheet.
N.B. If your child requires more than one medication, you will need to complete a form for each medication.
Please note, school staff will not administer medication that you can buy over-the-counter at chemists and supermarkets (e.g. paracetamol, eye drops, cough syrup) unless it has been prescribed by your child’s qualified health practitioner. For example, the school would administer paracetamol to a student only if it has been prescribed by their dentist to be taken for a short time after dental treatment.
School staff are bound by these regulations and we hope that all parents will acknowledge and cooperate with these rules.

KING OF THE MOUNTAIN
Well what a weekend!!! Thank you to the P & C and all the volunteers for your delicious array of burgers and drinks that were on offer. You have raised approximately $2500 towards resourcing our wonderful school. It was lovely to see so many families come out and support our relay and tug-o-war teams. My palms were sweating with anticipation and nerves as we defended our tug-o-war title.

Congratulations to the winning team on securing the shield. 12 years running, undefeated champions of the tug-o-war! Thank you to Mr Scott Thompson, Mr Ben Byrne and a HUGE thank you to Mr Peter Trewick who organised the relay and tug-o-war competition and liaised with all the schools in our area to come along to this event and support our community.
A great effort by the staff Tug-o-war team making the final this year also – Congratulations!

Queen of the Mountain – Leslie Saunders
Congratulations to our Year 1/2 teacher Ms Saunders who has conquered the mountain and defended her title of Queen of the Mountain for the second time! A huge amount of dedication and training in preparation for competing in this gruelling event. WELL DONE!!

Congratulations also to all the students from our school who competed in the first ever Prince and Princess race.

A great weekend for the whole family.
Regards,
Alyson Covey
Principal
A HUGE thank you to everyone who helped to make our P&C foodstall at the King of the Mountain Festival in Pomona last weekend such a success! P&C Executive members Jaymie, Michelle, Matt, Jo and Jamie would particularly like to thank:

- **The Pomona-Cooroy Lions Club** for all their hard work behind the scenes to make this fantastic annual event happen. Many of the Lions Club members are in their senior years yet still contribute so much to our community – please support them as much as you can!
- **Jenny and Keith Dobson of Alligator Cleaning** for their very kind donation of $250 towards our foodstall’s expenses;
- **JetFresh Lettuce**, Pomona for donating lettuce and to all school families who brought in grocery / cash donations;
- Local businesses Gitsham Prime Food, Pomona Bakery and Pomona Fruit & Vegie Market for their generous discounts;
- **Wayne Voss, Scott Thompson, Alyson Covey and Don Roseby** for taking all the gear down to the park and back again after the event;
- Fundraising Team members **Rosemary Burrows and Karen Gillespie** (champion onion chopper!) for helping out yet again with fundraising;
- **Haylee Grainger** for donating a food warmer for the foodstall and future P&C events;
- All our wonderful volunteers who helped set up, prepare food, cook on the BBQ, serve customers and clean up - Nina and Sean Wilson, Tanya Morcom, Ella Berridge, Don Roseby, Viv Temple, Greg Pott, Vanessa Neilson, Yenny Ho, Haylee Grainger, Brian George, Michelle Pickering, Vanessa Moscato, Angela Stacey, Jo Jessop, Deputy Principal Barbara Harch, Annyss Blackburn, Kellie Chapman and Katelyn Durdin;
- Ex-principal **Mick Byrne** (who just thought he was dropping in for a hamburger but was persuaded to put on a BBQ apron!);
- Extra volunteers (through the Lions Club) **Samuel Monty, Trevor and Merrilyn Coad**;
- **Louise King** for making the beautifully iced cupcakes;
- Everyone who supported us by purchasing a snack or their lunch from our stall.

Together we have raised a significant amount of money for school resources (final figure yet to be calculated) and also promoted Pomona State School as an important part of our local community. **Well done everyone!**

**TUCKSHOP VOLUNTEERS**

Our school is fortunate to have a great tuckshop run by coordinators Marni and Emma, supported by their wonderful team of volunteers. **More volunteers are always welcomed, particularly from 8.15am, when helpers are needed even for just 30 – 45 minutes to take orders and money from students and families (while Marni / Emma are busy cooking), no food preparation duties required.** If you can help out please see Marni or Emma at the tuckshop.

**UNIFORM POLICY**

Don’t forget that at our next P&C meeting on 1st August we will be discussing plans for our school’s uniform policy over the next few years with Principal Alyson Covey. If you would like to be part of this discussion please come along to our next P&C meeting or email your comments to psspandc@hotmail.com

**NATIONAL COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY**

Dear Parents/Carers

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

In 2013, 10% of Queensland state schools participated in the first year of implementation. All schools will be involved in the nationally consistent collection of data from this year.

Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student.

The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

Whilst only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let me know.

Information and fact sheets are available to help you make a decision from the:

Alternatively, if you have any queries about the collection or use of this data, I encourage you to contact me directly.

Barbara Harch
Deputy Principal
